Reply to Dr. Helmcken.

EDITOR BRITISH COLONIST:—Dr Helmcken's letter in this day's issue of the COLONIST implies concerted action on the part of 'S.' and 'R. W.' I will only state that such was not the case. Neither was aware of the other writing, nor of an intention to do so. I defy the Doctor to prove any word that I have either written or spoken to infer that I hold the interests of British Columbia of little value, or that I have sought in any way to depreciate her importance.

I will yield to no man in a desire to obtain the best possible terms prior to entering the Dominion. What have I to gain by such a course? Does not my success in life depend on the prosperity of this my adopted home as much as does the Doctor's or any other man in the colony? I have but one object and that is to see this a prosperous, happy and contented people. Believing that Confederation will go far to accomplish that end, I advocate it. I shall leave the public to form their own opinion as to the quality of the Doctor's pearls. I am afraid that the fish from which he got them has been very much decayed, and would advise him in the collection which he promises us to get the genuine article. I am willing to believe that the opposition to Confederation arises in a great measure from a mistaken idea that there was a party in favor of union without terms; this has been again and again disclaimed. Now that Confederation is imminent and that it must be to the interest of all to obtain the best possible terms, it seems to me folly to be setting up imaginary figures and battling over them. The question is reduced to this:—Can we join the Dominion on terms that will be for the advantage of the community? I believe we can, and if we are only reasonable, terms highly favored will be had. The Doctor has a good head and I believe a good heart; let him, then, throw his pearls to the dogs, and let us all pull together to do the best we can for our common country.

An illiterate clergyman preached once from Job xix, 28, dividing his discourse into three parts. First, skin-worms; second, what they done; and third, what the man seen after he was eaten up.

A vile, mean Western paper suggests that if the names of war vessels are intended to frighten the enemy, instead of calling our gunboats the Fury or the Terror, we had better baptize them the Cholera, the Susan B. Anthony, and so on.

'Now, s'posin' you was to be turned into an animal,' said Jim, 'what would you like to be, Bill?' 'O, I'd like to be a lion,' replied Bill, 'because he's so——' 'O, don't be a lion, Bill,' interrupted little Tom, who had had some recent painful experience at school; 'be a wasp, and then you can sting the schoolmaster.'

THE GRAND PROMOTERS OF HEALTH.

HOLLOWAY'S PILLS.

The grand secret of attaining happiness is to secure good health, without which life is stripped of its pleasures. The first irregularity of any function should be checked and set right by appropriate doses of these fine purifying Pills, which strengthen the system by thoroughly cleansing the blood from all impurities. They balance disordered action, remove the cause of disturbance and restore the normal and natural power to every organ, without inconvenience, pain or any other drawback

Derangement of the Bowels, Liver and Stomach Complaints.

This medicine is so well-known in every part of the world, and the cures effected by its use are so wonderful as to astonish every one. Its pre-eminence as a remedy for bilious and liver complaints and derangements of the stomach and bowels, is no longer a matter of dispute or doubt. In these diseases it has been found that Holloway's invaluable Pills are so permanent and extensive, that the whole system is renovated, the organs of digestion strengthened, and full and easy assimilation protected, so that both physical and moral energy are increased

Determination of Blood to the Head.

This is generally occasioned by some irregularity of the stomach and bowels, which, if not quickly attended to frequently terminates fatally. A few doses of these famous Pills never fail to give tone to the stomach, regularity to the secretions, and purity to the fluids. Vertigo, dimness of sight and other indications of approaching apoplexy, are entirely dissipated by a course of this admirable medicine

For all skin diseases, however inveterate, these medicines are a sovereign remedy. While the Pills act upon the blood, which they purify, the ointment passes through the pores of the skin, and cleanses every structure, as water saturates the sponge or salt penetrates meat. The whole physical machinery is thus rendered healthy, regular and vigorous

Coughs, Colds and Asthmas.

No medicine will cure colds of long duration or such as are settled upon the chest so quickly as these famous Pills. Even in cases where the first stage of asthmas has appeared these Pills may be relied on as a certain and never failing remedy, particularly if the Ointment be simultaneously well rubbed into the chest and throat night and morning.

Indigestion—Bilious Headache.

These complaints may sometimes be considered trifling but it should be borne in mind that by inattention and neglect, they often, and most seriously, Give early thought to a deranged stomach take Holloway's Pills, rub his celebrated Ointment over the pit of the stomach, and you will shortly perceive a change for the better in your digestion, spirits, appetite, strength and energy. Ayer's

Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

Ayer's Cathartic Pills,

For all the purposes of a Laxative Medicine.

Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative *Pill*. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates, containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these *Pills* rapidly cure:—

For **Dyspepsia** or **Indigestion, Listlessness, Languor** and **Loss of Appetite**, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, **Bilious Headache, Sick Headache, Jaundice** or **Green Sickness, Bilious Colic** and **Bilious Fevers**, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For **Dysentery** or **Diarrhœa**, but one mild dose is generally required.

For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back** and **Loins**, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For **Dropsy** and **Dropsical Swellings** they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression** a large dose should be taken as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.
