It was this facturing, being chairman of the Fulton Paper Works at Hulton, near Sunderland. Lord Kelvin is by birth an Irishman, and as plain William Watson is in-separably associated with one of the

greatest and most successfully executed enterprises which have rendered the Victorian era remarkable. It was in recognition of his services as electrician for the Atlantic cable, 1857-58 and 1865-66, that the honor of knighthood was conferred upon him, and in 1892 the dignity of baron was added. The world owes much to Lord Kelvin's services in all departments of physical science, and in electricity, the many inventions with which he has enriched the

sor Haliburton and wife, Profe Ewing, Professor Rucker, Profe Dunston, Professor Marshall Ward.

An executive committee for entertain ment has been appointed, consisting of the Mayor, E. Crow Baker and C. H. Lugrin. The arrangements made for the entertainment of the party consist of a series of drives around the city on Mon-

pany an expedition under the direction of the Natural History Society out among the islands of the Gulf.

GOSSIP FROM WINNIPEG.

WINNIPEG, Man., Sept. 3.—(Special)—Premier Greenway, who is in the city from his Crystal city farm, states that harvest is nearly completed in that district, and that on his farm threshing will likely begin on Tuesday next. The

crop is everywhere being saved without any of it getting frosted.

He said he expected to leave to-mor-Elford went up to passe and the machine with Ziegler at his wheel. They held their position until the pacer was dropped, when the San Jose wonder beat the youngster out, in the record time of 2.06 1-5.

The two mile handicap gave promise of a magnificent race, but ended disastrously. Ziegler from scratch soon caught the nearest parties to him. At the same time the middle distance start-

proposed. Hon. J. D. Cameron will go east tomorrow, and it is possible that Hon. Col. McMillan, who is now in the east, will also be present at the conference. The premier expects to be back in about ten days.

ten days.

E. B. Osler, president of the Toronto
Board of Trade, is here. He is travelling
in the private car Earnscliffe.

It is said that a gold brick, valued at over \$20,000, from the Mikado mine, will sent east for view at Toronto's exhi-

bition. WINNIPEG, Sept. 2.—(Special) — The sale of 12,000 bushels of new wheat is reported from Boissevain at 77 cents, the highest price paid the Manitoba armer in years.

Customs collections and bank clear-ings for the month of August show a large increase over the same month last Madame Ouimet's Funeral

some suspect that X the burglars.

Montreal of Madame Ouimet, wife of Judge J. A. Ouimet, formerly minister of public works, took place to-Hon. D. W. Higgins returned last was largely attended by members of the bench and bar and citizens generally,
