London, April 7. - From and almost stagnant busine gay and as busy as any Eur tre. The coming of the Quee to a Catholic country in the Lent, has started a whirl of such as there has not been since the good old days of wh wrote. The Irish nobility ha across the Channel from their homes in unprecedented num from the south, the west and of Ireland itself the country have poured into Dublin. T sufficient number of the minist banks of the Liffe to hold council, and there are enou women nightly dining in dresses, shining with jewelry v not been worn for many a du make an Irish levee of which

make an Irish levee of which a might be jealous.

The Castle, where the Lord ant holds sway, is naturally the factor of attraction, but the ancient can hold only a few. There to Devonshire, the Duke of A the Marquis of Lansdowne, Heretary Ridley and a number and peeresses have been dining every night this week. The uniforms of officers of the Life from London, of the Duke anaught's staff, and the court to Irieland's dignitaries are see ed with the black attire of ceivilians. Nor could anything superb than the big-calved bep lackeys that flit in gold and red the great corridors outside the The Shelbourne Hotel has be centre of gaiety. There almost The Shelbourne Hotel has be centre of gaiety. There almoy visitor has a title, though many most distinguished foreigners with chagrin that they could a rooms and had to be satisfied humble lodgings and dinners. Owing to the presence of the the town and the large amo jewelry carelessly displayed, in are not staying at the Shelbourd to enter the outer doop Hotel without specifying who want to see, and visitors are of in the cold for further inspect well known but badly dressed Hoseldom visits Ireland, underwordeal the other day and almost ploded with wrath when a gorter barred his way and mishow his card before allowing enter.

The most popular form of amusement has been the char trolley cars by large parties at rides throughout the crowded a inated streets. With the infla social gaiety special political of tions are temporarily in abeyar. The more advanced the Q comes in years the more her creases with the extension of the and the increased activity of me and the increased activity of a at any previous period of her is estimated that she has to thousand documents yearly, a of 137 a day, including Sunday of state papers go to her nov Ireland. She never really has

Mr. Chamberlain is reported said seriously: "I think we as with better fighters as individ any regular soldiers of the Carlo and dash."

Superlatives have been almo

The Boers seem to me to have tion and dash."

Superlatives have been almo ated from the war comments the disappearance of possible for plications, the editors and pubers take quite a moderate tone, pressing incidents of the week led the public to resign themse long struggle.

The disposition to find fault war office for not having antic necessity for the enormous n horses seems unjustified, for it that before the dash to Kimb the destruction of horse flesh the surrounding of Gen. Cronjo office wired to its agents all world, particularly in North a America, giving them power horses unlimited until further n obstacles in the way of assem transporting the animals were horses bought a month ago creach Lord Roberts before Jun Nothing was heard this we movement initiated by ministe bers of the Commons to petitio ernment to proclaim the Ora State annexed to the British I Loudon bankers are transmi or its equivalent regularly to the cheques of British officers who presoners and the Standard Bar toria honors all such cheques fore, as no limit is placed on the bought by the prisoners, the much comfort. In fact their in probably much better provided those of the officers at Bloc Some of the captives who have for months have regular service burg and Lorenzo Marques, where for months have regular service burg and Lorenzo Marques, wi them good things to eat, smoke wear. The British officers l and play various games, incl llards.

liards.

There is no disposition here over much of the attack mad Prince of Wales by Sipido, the lad, at Brussels Wednesday Royal Highness was on his way hagen, but the British see in is sequence of Continental press Great Britain. Thus the Long says: "The suppression of facts, the propagation of glar hoods and the turbulent abusi erating on weak minds are a tain, sooner or later, to have a tain, sooner or later, to have actions from which to do
