HAPPY NEW YEAR

THE GUIDE-ADVOCATE has great pleasure in joining with our local advertisers listed below in Wishing for You and Yours all the Health, Happiness and Prosperity that is possible in this New Year, 1923. May Fortune ever continue to smile upon this fair Canada of ours, and May we here in Western Ontario-- the Garden of Canada -- continue to enjoy God's Sunshine and Harvests, Peace and Prosperity, Living Together in Unity and Service.

To close the year without expressing appreciation of our pleasant relationship in 1922 would be leaving one of our principal debts unpaid. We Wish You a Very Prosperous 1923.
