effectually in every instance yet known, amounting to many hundreds. It is not unpleasant to the taste, and does not prevent the daily excretion of one using it: it must be persevered in, and the cure is gradual, but certain and permanent. Instances are constantly multiplying where this distressing complaint is completely relieved and cured, and although years standing, by the use of Dr. Spon's celebrated remedy. One decided preference is its pleasantness, having none of the nauseating effect of common drugs.

It is so perfectly satisfactory, that the proprietor has given direction for his agent to refund the price to any one who is not pleased with, and even cured by it. He hopes also that this may secure its great benefits to the distressed sufferers who are labouring under headache.

From the New York Herald.

MYSTERIOUS.
A gentleman belonging to one of the most ancient and wealthy families of this city, who must be well known to numerous friends, having since the year 1818 up to recently, been bent nearly double, and for several years confined to his bed, has been restored to good health—has regained his natural erect posture—and has quietly, but certainly, and now walks with ease. We believe this is the gentleman's own description as near as possible, and there is no exaggeration in it. We will give him his address, and doubt not his humane feelings will excuse the liberty, so that any one doubting may know these facts—though he requests his name not appear in print. Among other similar instances, Mr. James G. Reynolds, 144 Christie street, has been restored, and will give personal assurances of the facts of his case. Both were Rheumatism, and contracted cords & sinews, how has this been done?

LIVER COMPLAINTS AND ALL SICKNESS AND DISEASES.

TEMPERANCE LIFE-BITTERS

AND CHINESE BLOOD-PILLS.

The greatest Secret discovered!

PURGE—purge—purge—has been the cry for the last few years. This has been effectually tried, and yet sufferers have multiplied—and cried—and why? Not because purging was not necessary, but because it has been done in the wrong way, and the system has been injured. Purge, you must! Two sickly humours of the blood must be carried off—or the accumulation of them prevented. Prevent, then, the growth of such humours.

Why do the Chinese live to such immense ages, and retain the powers of youth or middle age?—Because they purify the blood. The Chinese Blood Pills—so called because they work upon and cleanse the blood—are the standard remedy. These pills will do it, and the Temperance Bitters, taken as directed, will strengthen the system and prevent the accumulation of the base humors which infest the blood, and which only increase by purges unless the bitters are taken first. Buy, then, these pills and take weekly the pills and the bitters, and if you are or have been invalid for days, weeks, months or years, you will find the sickly humours drawn off, and prevented from a return, and the salutary yellow hue of sickness change gradually to the full blooming glow of health & youthful buoyancy.

There are cases so numerous of these brilliant effects, that time and space forbid an attempt to put them down. Buy and use these medicines, and use as early, health and strength shall be yours. See wrapper and directions that come with them.

FRAUDULENT COUNTERFEITS will be attempted. Buy no remedy of the kind unless it have my name—O. C. L. M. D.—on the wrapper, and also the notice as follows—
I, Thomas Jones, in the Clerk's Office of the District Court of the United States, for the Southern District of New York.

OLDRIDG'S BALM OF COLUMBIA.

THIS article was first introduced into New York market about twenty years since, and from its superior virtues in reproducing hair when it had fallen out, keeping the head free from dandruff, (a most loathsome article on a gentleman's coat collar,) and giving a softness and beautiful lustre unknown before to the hair, has induced some persons to set up and advertise many other articles for the same purpose, none of which stand the test of trial, professing as most of them do, to be Oils of various kinds, all of which are positively injurious to the human hair. Let none be deceived, no other article will make the hair grow rapidly and of a good quality but the Balm of Columbia, and no article purporting to be the Balm of Columbia is genuine without the name of COMSTOCK & CO. on the outside wrapper. Some have been deceived, and obtained a counterfeit article for the true and genuine Balm of Columbia. Remember to look for the name of COMSTOCK & CO. on the wrapper, before you purchase, and get none but the genuine. Don't be deceived with the assurance that and without that name is made in the same way, any article as good, all such pretensions are false, and known to be so by the counterfeits.

THOMAS SIME.

St. Andrews, Jan. 5, 1842.

WILLMER AND SMITH'S EUROPEAN TIMES,

United States, Canada, West Indies and South American Intelligence.

THE object of this Publication is to present a striking and faithful abstract of all events occurring in Europe or elsewhere, interesting to the citizens of the U. States, Canada, the West Indies, and South America, made up the hour at which the Steamers and Packets sail.

The leading feature of the *European Times* will be a carefully digested abstract of General News, Correct Returns of the principal British and Continental Markets, Arrivals and Sailings to and from all Ports of the above countries,—in short a GLANCE at every circumstance in which the Merchant, the Manufacturer, the Trader, and the Citizen generally can take an interest.

The Value of such a Publication must be tested by its accuracy. No pains will be spared to make it in that respect unexceptionable. Community, who are now obliged on the arrival of a Packet Ship or Steamer, to wade through files of Newspapers, extending, not unfrequently, over Fourteen or Sixteen Days, for information in which they are most interested, can hardly fail, in this *European Times*, to find their labor abridged, and their wants and wishes immediately gratified.

The *European Times* is not intended to supersede so much as to accompany, the more ponderous files of the *London Daily* and other Journals, to which it will act as a kind of pilot balloon; the condensation of every item of news will be apportioned to its relative importance, leaving the levity of the press until time and opportunity enable their readers to measure, without inconvenience, through their ample and voluminous pages.

The *European Times* will be edited by a Gentleman long connected in an editorial capacity with the *Liverpool Press*. Parties who are desirous of bringing New Inventions, Works of Arts or subjects of general interest, under the eye of the American public, may address him personally, and depend upon his services.

The price of the *European Times* will be \$4 per Annum. All Orders to be addressed, with remittances or reference for payment, to Messrs. Willmer and Smith's Express Newspaper Office, Church Street,
