At Bridgetown, Annapolis Co, N. S. M. K. PIPER. Proprietor and Publisher

Torms-\$1.50 per year; allowed at \$1.00 if paid

WEDNESDAY, JUNE 29 b, 1904 er if your year's subscription er any portion of it is paid in advance, we thank you. If your subscription is in arrears, you will save money by settling

the part of the guardians of the public morals in regard to the publication of any class but admits to its columns matter in the shape of advertisements other form. Certain patent medicine firms are the worst offenders against subjects of a private nature are treated with disgusting detail, and perhaps one quarter of a page of a weekly with th's loathsome literature. And these papers, religious periodicals as most prominent offender. The Moniter has persistently refused this class of advertisements. It aims to be a family journal, and as such, qualified for admission into the home circle where clean and wholesome reading only should be tolerated. We are pleased to see that the United States government have at last established a center of the Lawrencetown. 2i and groom leave on a trip to the castern part of the province. On their return they will reside on the beautiful homestead farm occupied by Mr. McCormick, which has been altered and wholesome reading only should be tolerated. We are pleased to see that the United States government have at last established a center of the Order on a trip to the castern part of the province. On their return they will reside on the beautiful homestead farm occupied by Mr. McCormick, which has been altered and winding the constitution with the Hudson Bay Company at randard the constitution with the United States government have at last established a center of the order on a trip to the castern part of the province. On their return they will reside on the beautiful homestead farm occupied by Mr. McCormick, which has been altered and winding the constitution with the Hudson Bay Company at randard the constitution with the United States government have at last established a center of the order on a trip to the castern part of the province. On their return they will reside on the beautiful homestead farm occupied by Mr. McCormick, which has been altered and will have been altered and the constitution with the United States at the Constitution and best to the order on a trip to the castern part of the province. On their dealers of the province. On their dealers of the province on a trip to the castern part of the province. On their dealers of the province on the provi sorship of the postal authorities. Postmasters throughout the country are to Le instructed to forward to the Post Office Department without delay, any advertisement which comes to their at tent on which is even suggestively ob sc ne er indecent. Judge R. Goodwin, who succeeded Assistant Atto.nev-Gen eral Robb as Attorney-General for the Post Office Depertment, is to be the sailings. censor who will determine whether an advertisement is fit to appear in public. be forwarded to the Association of American Publishers, and through that association the newspapers will be in formed that the advertisement cannot appear after a given date. Any news paper disregarding the Post Office Department's injunction will be held up in the post office where it is mailed both with repard to the medicine ad-

### Sapreme Court at Bridgetown.

October at Annapolis before Judge Weatherbee and a jury, and resulted in verdict was set aside by the full court and a new trial ordered. The parties the plaintiff claims that the defendant 2.20 class. culating stories that plaintiff killed and sold meat which was unfit for

food. At the second trial here last week plaint if had a verdict for \$400. The next case was Balcom vs. Balcom. It appeared from the evid nee that the late W. D. Balcom made a deed of his property in 1884 to two sons, and for some reason in 1889 he deeded a portion of the same property over again to another son. The first deed was a family arrangement and the sons had made material improve ments on the faith of the deed. The guestion arose as to which deed should old family of Haliburtons, long prominent in the Western Counties, and was have been spending a few days with second deed was for \$800.00, and the case from the jury and will render a decision on the legal points after hear-

ing arguments of counsel. occupied only a few minutes. The dea warrant against the husband for a poll tax alleged to be unlawfully leved. There was judgment for the plaintiff for \$35.00.

As his Lordship had an engagement in Halifax, yesterday, the non-jury cases were not tried, but a specia term will be held the 26th of nex month to dispose of them.
