ANNAPOLIS CO. BEATS KINGS CO. Replayed Cricket Game at Bridgetown Results in Win for Annapolis County

The large number of spectators present Saturday afternoon were rewarded by witnessing one of the best games of cricket of the season, the play of both sides being very keen and interesting. The previous game at Kentville resulted in a tie of 35 runs each and in the replay Saturday both teams were at full strength, Kings County batted first and scored 55 runs, Saunders, of Wolfville, securing 14 and Vereker, of Kentville, 12 not out. Annapolis County started strongly and a long partnership by H. MacKenzie and C. Ollerhead put them in a winning position, the latter playing a fine inning of 28. W. Donat and R. Whiteway both reached double figures.

Both elevens were entertained at luncheon by the Bridgetown Club at the Riverside Inn and tea was served on the grounds by the ladies. Increasing interest is being taken in cricket at Bridgetown and the Kings County eleven, who are a thoroughly good sporting team are always welcome visitors. Annapolis County now have to play Hants County for the championship of the Annapolis Valley. A league game between Wolfville and Bridgetown will take place at Bridgetown on Thursday.

THE ST. JOHN EXHIBITION

A Ship's Mast is to be Erected in the Centre of the Grounds With Yards Complete

Something new and novel in lighting effects is being planned this year for the St. John Exhibition, which opens its doors on September 3rd, and which promises to be the biggest fair in history.

A ship's mast is to be erected in the centre of the grounds with yards complete and will be completely lighted, thus making the open spaces during the evening, light as day. Another change of importance is the removal of the poultry department from underneath the grand stand, to a space in the Agricultural Hall. The space underneath the grand stand is to be a part of the Mid-Year, thus relieving the congestion on the road in the rear, and giving more space for mid-way attractions.

Announcements of importance regarding the amusements booked for the fair are now made. The exhibition has secured some of the most famous acts in the museum world, and those who attend the exhibition are sure of a rare treat.

SCHOONER SUNK OFF SHELburnE

Boston Vessel Rammmed as Crew Leaps Across to Deck of the Other Ship

Shelburne, July 30—Twenty men, the crew of the Boston schooner, Genesta, which was sunk while fishing on Brown Bank, 70 miles off this port this morning were brought here this afternoon after colliding with the three-masted schooner Mary G. Duff of Lunenburg.

The commander of the Genesta, Captain Robinson of Lunenburg, Yarmouth county, states that at the time of the collision the weather was very thick and the impact was so great that it stove the bow of his vessel completely in.

While the vessels were still together the crew jumped to the Mary G. Duff, returning to their own vessel later and took whatever they could manage to get. Soon after leaving the vessel the second time she went to the bottom.

The Genesta makes a weekly trip to and from Boston and at the time of the accident had about 50,000 pounds of fish aboard. She is owned by O'Hara Bros., of Boston, and is 16 years old. Most of the crew belong to Yarmouth county and will leave for their homes in the morning. In the meantime they are being looked after by the people of Shelburne.

CLARKE BROS. FACTORY BURNED

The large clotheshop and dowl factory of Clarke Bros., Ltd., at Lake Jolly, 14 miles from Bear River, was destroyed by a fire which broke out from some unknown cause, but apparently in the boiler house Saturday morning.

Efforts of the company's fire department kept the flames confined to the mill proper and all the stores, warehouses, blacksmith shop, barns, cookhouses and dwellings were saved. The total loss is estimated at \$50,000 which is partially covered. The insurance is held in the agency of Douglas Rogers, Amherst. It is too soon to obtain a statement as to the future, but it is known that with the spare machinery and equipment owned by the company and located at other points in the country the manufacture of hard wood products can be commenced soon.

A FAMILY RE-UNION

A family event took place Friday afternoon, when upwards of one hundred of the Robbins family and their descendants, gathered for a picnic at the farm of Councillor Austin L. Robbins, at Chebogue Point. This village, at the top of the peninsula on which Yarmouth is situated, was formerly peopled mostly by the Robbins family. The time was spent in introductions, reminiscences, games for the children, quiet talks for the old folk, among whom were several of 80 years and over.

Among those present were Rev. and Mrs. Joseph Robbins of Concord, N.H.; Rev. and Mrs. Joseph C. Robbins, of New York, and Rev. and Mrs. Clyde Robbins, recently invited to the church at Bridgetown.

ENTERPRISING LOCAL FIRM

Bridgetown Will Have Some New Houses Erected in the Near Future

We are pleased to state that building prospects in Bridgetown are looking much brighter through the enterprise of the firm of J. H. Hicks & Sons, builders and contractors. Mr. H. B. Hicks, of this firm, has purchased from the Beckwith estate the property known as the Lawn Tennis grounds on Granville street East on which he will erect a private residence for himself. His firm has also purchased several building lots from Mr. Abram Young, Granville street West, on which they will erect cottages for sale or to let. It is business of this kind which builds up our town, and we wish this well known firm every success and trust that they will find sufficient encouragement to warrant the continuance of real estate ventures similar to the above. Mr. E. A. Hicks, of the same firm, built the last dwelling erected in Bridgetown.

RECEPTION TO REV. AND MRS. RICHARDSON

(Yarmouth Telegram)

The vestry of Zion U. B. Church was the scene of a most pleasing affair last evening, when a large proportion of the congregation and many of their friends gathered to meet the Rev. M. S. Richardson, who succeeds Rev. A. T. Dykeman as pastor of that church, and Mrs. Richardson. The vestry was filled practically to its capacity, and the platform was pleasingly decorated with pink and crimson ramblers and dahlias. The chair was occupied by Mr. J. W. Grant, who in a few brief remarks expressed the pleasure it gave him to see such a gathering on what he considered a very auspicious occasion, and one of marked interest to Zion.

A very delightful program was presented, consisting of piano duet by Mrs. W. E. Miller and Miss Annie Miller; piano solo, Miss Penelope Giamoni; vocal solos, Mrs. R. U.
