CANADIAN SECRETARIES.—Mr. F. H. Heath, Secretary at London, Ont., has accepted the call to take charge of the Ottawa Association. Mr. Wm. Gooch, Assistant at Toronto, is the Secretary elect at Brockville. Mr. W. H. Stevens, Secretary at Peterboro, has resigned to enter the Methodist Ministry, and will be stationed at Calumet, Que. Frank Pratt, of Kingston, has been asked to go to Hamilton. These changes will call for much care and supervision on the part of Mr. Cole and the Executive Committee.

MR. W. P. CROMBIE has spent several days in conducting our noon meetings and young men's meetings. His addresses have been much appreciated.

WORLD'S CONFERENCE AT STOCKHOLM.—The Rev. L. H. Jordan, who was a Delegate to this important Association Conference, will report at length at our members' meeting on Tuesday evening, October 16th. Let every worker make a note of the date, so as to be present.

BY LAWS.—On account of the Boys' Department, some changes were necessary in the By-Laws. Messrs Lect, Cushing and Bentley were named by the Board to revise the By-Laws and report to the Association at the members' meeting in November. For the consideration of the members a copy of the By-Laws as revised by the Committee will be found at the end of the Annual Report just issued.

EVANGELICAL ALLIANCE CONFERENCE.—This will be one of the most important gatherings ever held in the City. Our members should plan to hear the discussion of these important questions by some of the leading men of the continent. Call at the office for programme. Dates, October 22nd to 25th.

COMMITTEE WORK.—The Reception Committee has arranged for a large work this winter. So has the Membership Committee. A complete new set of books are being opened, and a live corresponding member secured for each Church. A fortnightly "Social Hour" will be held on the second and fourth Tuesday evenings of the month for the welcoming and introduction of Associate members as they join. The Invitation Committee has a full staff of workers, and hope to largely increase the attendance at the meetings.

THE LIBRARY COMMITTEE have added about 100 new books, and are planning for more to follow. The Committees in charge of the various religious meetings are fully alive to their duties and responsibilities, and there is every reason to hope that this winter will be one of the best in the quantity and quality of work done by the young men for the young men of the city. Faithful Committee work will always tell. It is a double edged sword.

THE YOUNG MAN'S SAFEGUARDS are:—1. A reliable, regular means of support; 2. A wise choice of associations and companions; 3. Healthful amusements; 4. Companionship of good books; 5. Intimate acquaintance with the bible; 6. Personal acquaintance with Jesus Christ.
