### **VAN OSTERZEE'S PERSON AND WORK OF THE REDEEMER.**

8vo, 500 pp. Cloth, \$2.50 Premium Price, \$1.50.

This work receives the highest commendation from Rev. Dr. Withrow, and Principal Cavan. It is unsurpassed as an exhibition of "The Image of Christ as presented in Scripture."

### **WENDELL'S DIACRITICAL EDITION OF THE HOLY BIBLE.**

Containing the Old and New Testaments. Translated out of the Original Tongues. Being the version set forth A.D. 1611, compared with the most ancient authorities and revised. The revisions of 1881 and 1885 compared with the version of 1611, showing at a glance what words are common to both, and by diacritical marks and foot-notes what are peculiar to each.

This is pronounced the best edition of the revised and common versions, and indispensable whether for critical or for general use. It is the Bible Student's *vade mecum*, the *ne plus ultra*.
