CLAXTON'S DESCRIPTIVE CATALOGUE OF MUSIC.

A large (sheet music size) book of 40 pages containing over 4000 pieces and about 70 books is mailed free to any address. The most celebrated authors of Europe and America are well represented by their successful and valuable productions.

Although our Catalogue is one of but 40 pages, it contains many more pieces and represents a greater amount of usefulness for teaching purposes, than any other Catalogue of double the size.

Our sheet music is printed from finely engraved plates, on the best quality music paper. Claxton's *Musical Journal*, 6 cents or 60 cents per year.
