## FOR RHEUMATISM

Which is caused by an acid in the blood, the best remedy is Ayer's Sarsaparilla. Abundant testimony shows that where all other treatment fails, the persevering use of Ayer's Sarsaparilla effects a complete cure. H. P. Green, of Johnstown, Ohio, writes: "For over fifteen years I suffered untold misery from rheumatism. Physicians' prescriptions, as well as the various specifics, proving of no avail, I at length concluded to give Ayer's Sarsaparilla a persistent trial. I have used in all about eighteen bottles, and am now enjoying perfect health. The expense for this medicine was nothing compared with what I had put out for doctoring that did me no good whatever."

"About three years ago, after suffering for nearly two years from rheumatic gout, being able to work only with great discomfort, and having tried various remedies, including mineral waters, without relief, I saw by an advertisement in a Chicago paper that a man had been relieved of this distressing complaint, after long suffering, by taking Ayer's Sarsaparilla. I then decided to make a trial of this medicine, and took it regularly for eight months, and am pleased to say that it has effected a complete cure. I have since had no return of the disease." — Mrs. R. Irving Dodge, 110 West 125th street, New York City.

## 5cts. SAVED! \$1 LOST!

It is false economy saving 5 cents by buying a bar of poor soap, for that bar of poor soap will do more than a dollar's worth of damage to your clothes, by rotting them, to say nothing of the harm it does to the hands.

When you buy SUNLIGHT Soap you get the VERY BEST VALUE. It goes farther, washes easier, saves fuel and hard work, and cannot possibly injure the clothes or skin, no matter how fine or delicate. It is real economy to use SUNLIGHT Soap.

Give it a trial. See that you get the right article, as imitators are trying to humbug the people.
