The congregational meeting of Cooke's church was held Jan 13. The annual report included reports of the session for 1896, Ladies' And Society, Christiam Endeavor. Willing Workers, Olive Mission Band and Y.M. L.S.

The question of changing the name of the church to St. Colombo was discussed, and it was decided not to make any change. The church has ended the first lifty years of its existence, not only without debt, but with a considerable balance on hand, and is probably the only church in the city with such a record.

A cordial vote of thanks was tendered to C. Livingston and Prof. Marshall for their work in connection with raising funds to clear the church of debt.

Many thousands of this new table will be sold as parlor, card and game tables, and it is also suitable for the kitchen, restaurant and lawn in sizes required, and as it folds up so closely it will be a favorite for storing or moving.
