PRICES AND TERMS ON APPLICATION.

the outside price of a week ago. Veal is quoted at 7c to 8c. Dressed hogs, 6 to 7c per pound butchers price. Packers are offering 6 1-4c for best weights, running from 120 to 180 pounds, and 6c for hogs running from 180 to 250. Very little buying has yet been done by packers. Dealers have been figuring on bringing in cars of dressed hogs from Ontario and quotations equal to \$6.95 per 100 pounds laid down here have been secured, figured on an 50c freight rate basis. These quotations have a tendency to make the market easier and no doubt liberal receipts will come in as the weather is now considerably safe for shipping. There have been no importations of dressed mutton as yet, but as soon as it freezes up liberal receipts of dressed mutton will be arriving from the east.

POULTRY—Offering more freely. Wholesale prices are as follows: Turkeys are higher at 12 1-2c to 13c per pound, dressed weight; geese, 10c per pound; spring chickens, 10c per pound; ducks, 10c per pound.

GAME—Dealers are paying 15c for teal; 20 to 25c for fall ducks, and 30c to 40c for mallards, per pair. Small geese and waders bring 40 to 50c and large geese up to 75c.

TALLOW—Prime tallow is worth 31-2c. Prices range from 21-2 to 31-2c per pound.

LIVE STOCK.

CATTLE—Export cattle have been moving freely. Some districts are now about cleaned out. The difficulty over quarantining in the Territories is now practically removed and shipments are unimpeded. Prices are slightly firmer and as high as 33-4c is being quoted for choice steers. We quote: Good to choice steers, 3c to 33-4c per pound off ears, common cattle, 21-2c to 3c. While there has been no export market for stockers this year there has been a considerable movement of these to the ranges of the west. Stockers are worth from 21-2c to 31-4c at the stock yards here.

SHEEP—Receipts are mainly from the ranches of the west. Prices are easier for sheep and firmer for lambs. Choice sheep are now worth 4c per pound off ears Winnipeg, as compared with 4c to 4 1-2c a week ago, and lambs 4c to 5c, as compared with 4c a week ago.

HOGS—Receipts are increasing, but are still very light. Some Ontario hogs have been slaughtered here this week. Dealers quotations vary considerably, some offering as high as 51-1c for choice Manitoba hogs, but the general

run of quotations is not over 5c for choice hogs and 43-4c for second grades.

MILCH COWS—A good milker will readily bring \$35 in the city today and as high as \$40 and \$45 has been offered. Milking cows are very scarce.

HORSES—The demand for horses for farm work has fallen off considerably as is usual on the approach of winter. There is, however, a good demand for horses for railroad work and for city and town uses. Good heavy horses weighing not less than 1,400 pounds are worth from \$125 to \$175 each. Lighter horses for delivery or road purposes are worth from \$110 to \$140 each.
