WEEKLY BULLETIN.

PUBLISHED BY THE

TORONTO YOUNG MEN'S CHRISTIAN ASSOCIATION.

VOL. I.

TORONTO, SEPTEMBER 4, 1880.

NO. II.

ALL have sinned and come short of the glory of God.—Rom.iii.23

BEHOLD the Lamb of God, which taketh away the sin of the world.—John i. 29.

COME unto me, all ye that labor and are heavy laden, and I will give you rest.—Matt.xi.28.

RE-UNION.

A re-union of members and friends of the Association will (D.V.) be held in Shaftesbury Hall, on Monday evening next, when our President, Vice-Chancellor Blake, will give an address bearing upon the Raikes' Centenary, which he attended as delegate from the S. S. Association of Ontario. He will no doubt at the same time refer to Christian work as viewed by him while in England, and on the Continent. The chair will be taken at 8 o'clock, by Rev. Dr. Potts. All friends of the Association will be welcomed.

DR. CULLIS.

On Friday evening, 28th August, Dr. Cullis gave an address in our parlor on "Faith Work."

When it is remembered that we only knew of Dr. Cullis' visit the night before the lecture, the large attendance proved that short notice and warm weather will not prevent our friends coming out to hear something good.

FLOWERS.

Thanks are due Mrs. Lesslie, of Eglinton, for bouquets of flowers sent to our Rooms. This kind remembrance of our work is appreciated.

Flowers add beauty to our Rooms, which we desire to be very attractive for young men, many of whom are away from home and its blessed in-

fluences. Who will next follow Mrs. Lesslie's example?

COME AND SEE.

Our friends would scarcely recognize our Free Reading Room in its new dress. The Room has been painted, papered, and the walls redecored with well chosen texts and mottoes. Additional reading desks are to be added, and no effort will be spared to make the Room, and all other parts of our building, attractive. **YOUNG MEN**, we wish YOU to come, and we assure you a hearty welcome. Come one! Come all!

AN OLD FRIEND.

We have been much pleased and benefited by a visit from one who will ever be respected by the Young Men of Toronto, and equally so by the writer of these lines. We refer to Mr. T. J. Wilkie, for so many years our General Secretary. Mr. Wilkie has been rusticated for a few weeks at the Thousand Island Park. He returns to his labor in Brooklyn refreshed in body and hopeful in spirit. We wish him an honest and hearty God-speed in his work.

The Annual Convention of the Y. M. C. A.'s of Ontario and Quebec meets at Ingersoll on Sept. 30th, and three following days. The Executive Committee with a view of making this a gathering for practical work, has departed from the usual stereotyped plan of assigning topics for discussion, and in lieu thereof propound a number of most valuable and pointed questions bearing upon the different branches of the work. Eminent Christian workers are expected at the Convention, and the Brethren at Ingersoll are prepared to give a hearty welcome to all who signify their intention of being present.
