DR. WISTAR'S BALM OF WILD CHERRY.

From the Fall River Monitor Mass.

This medicine, prepared by a long experienced and skilful physician, tested and approved by a great number of intelligent, distinguished and respectable persons in various parts of the country, is now received, and used with entire confidence and with great success by those afflicted with pulmonary complaints. It is also recommended as a valuable medicine for other diseases, such as colds, coughs, and particularly diseases whose tendency is to consumption.

Important from Canada.

Quebec, July 24th, 1848.

To all who are afflicted with Asthma. I have at different times been afflicted with severe colds, which produces in my case the Asthma. I have, on these occasions used DR. WISTAR'S BALM OF WILD CHERRY. Two years ago I was quite sick, so much so that I could not rest at nights. I procured of the agent of this city, a bottle of this Balm of Wild Cherry. Before I had taken the whole of it I felt relieved. I continued taking it, until I had used three or four bottles, which completely cured me. The present season I took another severe cold, and immediately resorted to this Balm, and a part of one bottle had the desired effect. I therefore cheerfully recommend my friends and all others who need it, to try this medicine for their coughs and colds, and particularly the Asthma.

Respectfully yours, WM. McGRATH.

The genuine is signed I. BUTTS.
