THE AVERAGE BOY

and a good-sized lump of maple candy form the materials from which we might deduct self-evident conclusion regarding the facility with which attachments are formed in early life, when the circumstances are at all favorable.

Robinson's Phosphorized Emulsion,

suddenly brought the matter to a focus by exclaiming appealingly:—"Just gim' me one more teaspoonful and I'll go right off to sleep."

CONSUMPTION.

From H. B. Smith, Esq., a prominent Merchant of Buctouche, Kent County, N. B., under date June 8th, 1877:—

Dear Sir,—I have suffered for some years past with Cough from Affection of the Lungs, Spitting of Blood, Weakness of the Chest, and Want of Appetite, and have tried many so called remedies but without any effect whatever until I commenced using ROBINSON'S PHOSPHORIZED EMULSION.

Robinson's Phosphorized Emulsion of Cod Liver Oil with Lacto-Phosphate of Lime is prepared solely by Hanington Bros., Pharmaceutical Chemists, St. John, N. B. For sale by Druggists and General Dealers. Price \$1.00 per bottle; six bottles for \$5.00

The Bad and Worthless

are never imitated or counterfeited. This is especially true of a family medicine, and it is positive proof that the remedy imitated is of the highest value. As soon as it had been tested and proved by the whole world that Hop Bitters was the purest, best and most valuable family medicine on earth, many imitations sprung up and began to steal the notices in which the press and people of the country had expressed the merits of H. B., and in every way trying to induce suffering invalids to use their stuff instead, expecting to make money on the credit and good name of H. B.

"EAGAR'S PHOSPHOLEINE is the best Emulsion yet made," is what a leading druggist in Canada writes; "we have no doubt of it." It is not the advertising, but its sterling worth that is making it known, and it is amongst the physicians and more intelligent of our merchants, mechanical and laboring classes that it is used.
