

LACHINE CANAL ENLARGEMENT.

Notice to Contractors.

SEALED TENDERS ADDRESSED TO the undersigned, endorsed "Tender for Lachine Canal," will be received at this Office for the enlargement of this Canal, consisting of the widening and deepening from a short distance above Lock No. 3, or St. Gabriel Lock, upwards to the River St. Lawrence at Lachine; embracing the construction of a new lock at Cote St. Paul, taking down and rebuilding the upper portions of the present lock at that place, construction of regulating weirs, culverts, bridge piers, and a new entrance lock at Lachine, and the formation of a channel and basin on the south or river side of the existing entrance.

The work will be let in sections of the respective lengths indicated on a map of the line, which, together with plans and specifications of the various works, can be seen at this Office, and at the Lachine Canal Office, Montreal, at either of which places printed Forms of Tenders can be obtained.

Tenders for Section No. 9, or what is called the "Rock Cut," and Section No. 10 at Lachine, will be received until the arrival of the eastern and western mails on Wednesday the 17th day of January next, plans and specifications for which can be seen at the places above mentioned on and after Wednesday the 5th day of January next.

For other parts of the works tenders will be received until Tuesday the 21st day of March next, and for which plans and specifications can be seen at the respective places above mentioned, on and after Tuesday, the 7th day of March.

Contractors are requested to bear in mind that Tenders will not be considered unless made strictly in accordance with the printed forms; and, in the case of firms—except there be attached the actual signatures, the nature of the occupation and place of residence of each member of the same; and further, an accepted bank cheque, or other available security, for the sum of from one to three thousand dollars, according to the extent of work on the section, must accompany each Tender, which shall be forfeited if the party tendering declines or fails to enter into contract for the works when called upon to do so, at the rates stated in the offer submitted.

The amount required in each case will be stated on the form of Tender.

The cheque or money thus sent in, will be returned to the respective parties whose Tenders are not accepted.

For the due fulfillment of the contract, satisfactory security will be required on real estate or by deposit of money, public or municipal securities, or bank stock to the amount of five per cent. on the bulk sum of the contract, of which the sum sent in with the Tender will be considered a part.

Ninety per cent. only of the progress estimates will be paid until the completion of the works.

To each Tender must be attached the actual signatures of two responsible and solvent persons, residents of the Dominion, willing to become sureties for the carrying out of these conditions, as well as the due performance of works embraced in the contract.

This Department does not, however, bind itself to accept the lowest or any Tender.

By Order,

Department of Public Works, J. F. BRAUN, Secretary.

THE WEEKLY SUN.

1876. NEW YORK. 1876.

Eighteen hundred and seventy-six is the Centennial year. It is also the year in which an Opposition House of Representatives, the first since the war, will be in power at Washington; and the year of the twenty-third election of a President of the United States. All of these events are sure to be of great interest and importance, especially the two latter; and all of them and everything connected with them will be fully and freshly reported and expounded in THE SUN.

The Opposition House of Representatives, taking up the line of inquiry opened years ago by THE SUN, will sternly and diligently investigate the corruptions and misdeeds of GRANT'S administration; and will, it is to be hoped, lay the foundation for a new and better period in our national history. Of all this THE SUN will contain complete and accurate accounts, furnishing its readers with early and trustworthy information upon these absorbing topics.

The twenty-third Presidential election, with the preparations for it, will be memorable as deciding upon GRANT'S aspirations for a third term of power and plunder, and still more as deciding who shall be the candidate of the party of Reform, and as electing that candidate. Concerning all these subjects, those who read THE SUN will have the constant means of being thoroughly well informed.

THE WEEKLY SUN, which has attained a circulation of over eighty thousand copies, already has its readers in every State and Territory, and we trust that the year 1876 will see their numbers doubled. It will continue to be a thorough newspaper. All the general news of the day will be found in it, condensed when unimportant, at full length when of moment; and always, we trust, treated in a clear, interesting and instructive manner.

It is our aim to make THE WEEKLY SUN the best family newspaper in the world, and we shall continue to give in its columns a large amount of miscellaneous reading, such as stories, tales, poems, scientific intelligence and agricultural information, for which we are not able to make room in our daily edition. The agricultural department especially is one of its prominent features. The fashions are also regularly reported in its columns; and so are the markets of every kind.

THE WEEKLY SUN, eight pages with fifty-six broad columns is only \$1.20 a year, postage prepaid. As the price barely repays the cost of the paper, no discount can be made from this rate to clubs, agents, Postmasters, or anyone.

THE DAILY SUN, a large four page newspaper of twenty-eight columns, gives all the news for two cents a copy. Subscription, postage prepaid, 55c. a month or \$6.50 a year. SUNDAY edition extra, \$1.10 a year. We have no travelling agents. Address, "THE SUN," New York City.
