**WELLAND CANAL**

**ENLARGEMENT.**

**NOTICE TO CONTRACTORS.**

SEALED TENDERS, addressed to the undersigned, and endorsed "Tender for the Welland Canal," will be received at this office until the arrival of the Eastern and Western mails on **THURSDAY, 5th Day of JULY** next, for the formation of a new line of canal from Marlatt's Pond, at Thorold, to Allanburg, including the construction of a lift lock, guard lock, several culverts and piers and abutments for swing bridges, etc.

Also, the enlargement of about two miles of the canal, from the Junction downward, together with the construction of an Aqueduct over the Chippawa River, a lock between the canal and the river at Welland, piers and abutments for bridges, etc.

And, the enlargement of the canal from Ramey's Bend to Port Colborne, including the construction of a guard lock, weir, and supply race, etc.

The works will be let in sections of a length suited to circumstances and the locality.

Maps of the different localities, together with plans and specifications of the works can be seen at this office on and after **MONDAY, the 25th day of June** next, where printed forms of tender can be obtained. A like class of information relative to the works north of Allanburg, can be seen at the resident Engineer's office, **THOROLD**; and for works south of Port Robinson, plans, etc., may be seen at the resident Engineer's office, **WELLAND**.

Contractors are requested to bear in mind that Tenders will not be considered unless made strictly in accordance with the printed forms, and—in the case of firms—except there are attached the actual signatures, the nature of the occupation and place of residence of each member of the same; and further, an accepted bank cheque or other available security for the sum of from one to five thousand dollars, according to the extent of work on the section, must accompany each Tender, which sum shall be forfeited if the party tendering declines entering into contract for the works at the rates stated in the offer submitted.

The amount required in each case will be stated on the form of Tender.

The cheque or money thus sent in will be returned to the respective contractors whose Tenders are not accepted.

For the due fulfilment of the contract, satisfactory security will be required, by the deposit of money to the amount of five per cent. on the bulk sum of the Contract, of which the sum sent in with the Tender will be considered a part.

Ninety per cent only of the progress estimates will be paid until the completion of the work.

To each Tender must be attached the actual signatures of two responsible and solvent persons, residents of the Dominion, willing to become sureties for the carrying out of these conditions as well as the due performance of the works embraced in the contract.

This Department does not, however, bind itself to accept the lowest or any Tender.

By order, **F. BRAUN,** Secretary.
