Ask your doctor how many preparations of cod-liver oil there are.

He will answer, "Hundreds of them." Ask him which is the best. He will reply, "Scott's Emulsion."

Then see that this is the one you obtain. It contains the purest cod-liver oil, free from unpleasant odor and taste. You also get the hypophosphites and glycerine. All three are blended into one grand healing and nourishing remedy.

See and \$1.00, all druggists. SCOTT & BOWNE, Chemists, Toronto.

MRS. CHARLES ST. JOHN.

A Well-Known Dressmaker in Providence, R. I., is Well and Strong Again, After Being So Weak that She Could Not Walk Without Help.

Four out of five women in America are not perfect women in the sense of being perfectly healthy. Nearly every one has some peculiar ailments of the menstrual organs. Just look around when you go along the street. You will see the pale, the weak, the run-down and the sorrow-laced everywhere. Some of these girls and women are rich and don't have to work. Others are poor and must toil for a living. The poor are most to be pitied. They must work away with their heads, backs and sides aching. They must toil regardless of their paleness, weakness and nervousness. Day after day the drains of leucorrhoea sap away their strength and life becomes a round of misery. Women can be healthy if they wish. No doubt about it. They can be well, strong and rosy-cheeked. Read the following as proof—

Mrs. Charles St. John, 255 Charles St., Providence, R. I., testifies as follows: "For six years I suffered from female weakness, headache, pains in the back and in the legs. At times I was so weak that I could not walk without help. For two months I was under special treatment in the hospital, but came out as pale and as weak as I was when I went in there. Having seen so many women cured by Dr. Codere's Red Pills, I tried them, and was at once greatly benefited. My doctor afterwards told me to keep on taking them. I am a dressmaker, and am well known to many women in Providence, who have frequently remarked how much better I am now looking." (Signed.) MRS. CHARLES ST. JOHN, 255 Charles street, Providence, R. I.

Dr. Codere's Red Pills for Pale and Weak Women are a positive specific for all female weakness and disease. They may be depended upon to purify and strengthen the organs distinctly feminine, to soothe all inflammation, and to stop pains and debilitating drains. They cure where doctors fail, and cure right at home, without abhorrent examinations and local treatment. They are the only medicine in the world that is the discovery of an experienced and skilled specialist in the treatment of the diseases of women. In all realms of science there has never been

a medicine with such a remarkable number of cures to its credit.

While taking these pills it is well to follow certain health rules under reliable professional advice. All women ought to get such advice by mail from our celebrated French specialists. Simply write us a letter, and full advice will be sent you free of all charge. For personal consultation, call at our Dispensary, 274 St. Denis St., Montreal.

Be very careful about getting the genuine Dr. Codere's Red Pills at the drug store. They are always sold at 50 cents a box—fifty pills in a box—or six boxes for \$2.50. There are many harmful imitations of pills sold by the dozen, the hundred, or at 25 cents a box. Beware of them. It is not quantity that you want. It is good health you are looking for, and you will find it if you take Dr. Codere's Red Pills. A 50-cent box lasts longer than a \$1 bottle of liquid medicine, and the pills cure. It is the druggist's business to give you what you ask for, not to substitute something else for the sake of his profits.

Honest druggists sell Dr. Codere's Red Pills. Or you can send the price in stamps, or by registered letter, money order or express order to us. We mail them all over the world. No duty for you to pay.

The best woman's doctor book is called "Pale and Weak Women." A free copy can be secured by sending your name and address on a postal card and asking for it. Send now. All letters should be addressed to The Franco-American Chemical Co., Medical Department, Montreal, Canada.
