COMMERCE. It has no limit. Its domain is widespread as civilization itself; wherever it comes life, wealth and progress appear, like the sun's light it stirs into action the whole face of nature. It is a lordly tree with many branches. It has a stream for every land and a tide for every sea. It is the pulse of nations, the forerunner of storms, and is yet the very repose of peace. It is the poor man's staff, the rich man's ambition, and one of the brightest gems in the diadem of royalty. It builds cities, maintains the army, and gives character to nations. Its influence is felt everywhere. It dries up the bitter tear and spreads a scene of gladness and content where poverty and despair held their dismal sway. It gives strength to the arm, action and enterprise to the mind, and honest pride to the man. It engages the professions, fosters the fine arts, and keeps up a constant interchange of thought between nations and men. It is a sort of a universal passport or medium, or language by which all countries and peoples come to know each other as circumstances may require. System and Commerce are the two main-springs by which the whole machinery of society is kept in active motion. Commerce transports the products of our soil to distant lands and returns to us with the most beautiful fabrics that inventive genius can design. As a further illustration, we would advise an early inspection of the late fashions just arrived at the CLOTH HALL, Notre Dame Street.

CAST STEEL CHURCH BELLS. THE Subscribers having been appointed AGENTS for CANADA, for the sale of CAST STEEL CHURCH and FACTORY BELLS, are now prepared to execute Orders for them to any extent that may be required. These Bells are made by Messrs. NAYLOR, VICKERS & CO., of Sheffield, England. They have pure, melodious sound, peculiar to steel, owing to the elasticity of the metal the sound penetrates to a great distance. Cast Steel Bells are much lighter than those made of ordinary bell-metal of the same size, and are consequently more easily rung; and owing to the density and also to the well-known strength of the material, it is almost impossible to break them with ordinary usage. These bells have been successfully introduced in some of the largest cities and towns in the United States and Canada, for Fire Alarms, Churches, Factories, &c.; and being sold much cheaper than Composition Bells, this fact in connection with their lightness, strength and sweetness of tone, cannot fail to commend them to public favor. Cast Steel Bells combine, therefore an improvement in quality and power of tone, with greater facility for placing and ringing them, from their diminished weight and every material saving in price. CHIMES CAST TO ORDER WITH GREAT ACCURACY. Every Bell is warranted for one year, with proper usage, in any climate. Printed Circulars, with descriptions, recommendations, prices, &c., will be furnished on application to FROTHINGHAM & WORKMAN, Montreal, Agents for Canada. January 7.

THE GREATEST MEDICAL DISCOVERY OF THE AGE. MR. KENNEDY, of ROXBURY, has discovered in one of the common pasture weeds a Remedy that cures EVERY KIND OF HUMOR. From the worst Scrofula down to the common Pimples He has tried it in over eleven hundred cases, and never failed except in two cases (both thunder humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston. Two bottles are warranted to cure a nursing sore mouth. One to three bottles will cure the worst kind of pimples on the face. Two to three bottles will clear the system of boils. Two bottles are warranted to cure the worst cancer in the mouth and stomach. Three to five bottles are warranted to cure the worst case of erysipelas. One to two bottles are warranted to cure all humor in the eyes. Two bottles are warranted to cure running of the ears and blotches among the hair. Four to six bottles are warranted to cure corrupt and running ulcers. One bottle will cure scaly eruption of the skin. Two or three bottles are warranted to cure the worst case of ringworm. Two or three bottles are warranted to cure the most desperate case of rheumatism. Three or four bottles are warranted to cure salt rheum. Five to eight bottles will cure the worst case of scrofula. DIRECTIONS FOR USE. - Adult, one table spoonful per day. Children over eight years, a dessert spoonful; children from five to eight years, tea spoonful. As no direction can be applicable to all constitutions, take enough to operate on the bowels twice a day. Mr. Kennedy gives personal attendance in bad cases of Scrofula.

KENNEDY'S SALT RHEUM OINTMENT, TO BE USED IN CONNECTION WITH THE MEDICAL DISCOVERY. For Inflammation and Humor of the Eyes, this gives immediate relief; you will apply it on a linen rag when going to bed. For Scald Head, you will cut the hair off the affected part, apply the Ointment freely, and you will see the improvement in a few days. For Salt Rheum, rub it well in as often as convenient. For Sores on an inflamed surface, you will rub it in to your heart's content; it will give you such real comfort that you cannot help wishing well to the inventor. For Scabs: these commence by a thin, acrid fluid oozing through the skin, soon hardening on the surface; in a short time are full of yellow matter; some are on an inflamed surface, some are not; will apply the Ointment freely, but you do not rub it in. For Sore Legs: this is a common disease, more so than is generally supposed; the skin turns purple, covered with scales, itches intolerably, sometimes forming running sores; by applying the Ointment, the itching and scales will disappear in a few days, but you must keep on with the Ointment until the skin gets its natural color. This Ointment agrees with every flesh, and gives immediate relief in every skin disease fresh is heir to. Price, 2s 6d per Box. Manufactured by DONALD KENNEDY, 120 Warren Street, Roxbury Mass.
