It is just as important, in fact, it is more
important, that investors know their invest-
ment house as it is the security they buy.

The first principle of this investment house
is to safeguard the interests of its clients.
There is no other kind of business in which
a reputation gained in this way is a greater
asset.

The securities sold by this house are pur-
chased after thorough investigation by experts
and are backed by its own reputation. Every
precaution taken to insure ourselves against
loss is a protection to our clients. Consult
us freely regarding your investments; you
will not obligate yourself in any way.
