TESTIMONIALS.
MONTREAL, QUE., Nov. 15th, 1883.
I hereby certify that I have analyzed and tested
the material called "White Bronze," manufactured
for monumental purposes by the St. Thomas
White Bronze Monument Company, and I find it
composed, as represented, of refined Metallic Zinc,
of a very superior quality, its great durability under
all exposure to weather and storm is therefore fully
assured by its high quality. And it will resist decay
and further oxidation when its surface is once
coated. It is then more durable than stone, and
will not lose its handsome appearance from gener-
ation to generation. I know of no other material
which is equally capable of combining elegance
of form, beauty of surface and indefinite durability.

WHAT IS CATARRH?

From the Mail (Can.) Dec. 15.
Catarrh is a mucous-purulent discharge caused
by the presence and development of the
vegetable parasite amoeba in the internal lin-
ing membrane of the nose. This parasite is
only developed under favourable circum-
stances, and these are:—Morbid state of the
blood, as the lighted corpuscle of uraemia,
the germ poison of syphilis, mercury, toxo-
mos, from the retention of the effeted matter
of the skin, suppressed perspiration, badly
ventilated sleeping apartments, and other
poisons that are germinated in the blood.
These poisons keep the internal lining mem-
brane of the nose in a constant state of irri-
tation, ever ready for the deposit of the seeds of
these germs, which spread up the nostrils,
and down the fauces, or back of the throat,
causing ulceration of the throat; up the
eustachian tubes, causing deafness; burrow-
ing in the vocal cords, causing hoarseness
usurping the proper structure of the bronchial
tubes, ending in pulmonary consumption and
death.
Many attempts have been made to discover
a cure for this distressing disease by the use
of inhalants and other ingenious devices, but
none of these treatments can do a particle of
good until the parasites are either destroyed
or removed from the mucous tissue.
Some time since a well-known physician of
forty years' standing, after much experiment-
ing, succeeded in discovering the necessary
combination of ingredients which never fail
in absolutely and permanently eradicating
this horrible disease, whether standing for
one year or forty years. Those who may be
suffering from the above disease, should, with-
out delay, communicate with the business
managers,
Messrs. A. H. DIXON & SON,
305 King St. West, Toronto, Canada,
and inclose stamp for their treatise on Catarrh
