TABLES AND CHARTS

1. Includes: Merchandise, Investment, Locales, Interest, dividends and other income. Excludes: Governmental transfers, personal and institutional remittances, and official contributions. For purposes of this table, withholding tax has been subtracted from net income before tax (in brackets); former 1959 practices listed in as transfer receipt and service payment.

2. Governmental Transfers: 1. Business services and other services. 2. Other income (last 5 years) - PARTIAL TO EXPORT.
