ORDER, PRIVILEGE, AND PROCEDURE.—Questions of Order:

Quoting Documents not before the House (Mr. Mackenzie). Ruled that point of Order not well taken (Mr. Speaker) 43.

On the right to speak from any part of the House (Mr. Casgrain). Rule read that the member must address the Speaker from his seat (Mr. Speaker) 443.

On M. to adjourn a debate. Second M. objected to (Mr. Blake). Mr. Speaker ruled as follows:—

"The motion for the adjournment of the Debate should be pure and simple, but the motion made by the hon. member for Shelburne is an amendment not coming within the parliamentary meaning of the first mentioned motion, inasmuch as it contains a preamble. I am of opinion that the amendment of the hon. member is in reality out of Order, since it contains a recital of reasons for the adjournment of the Debate. As in the motion for the adjournment of the Debate no preamble can be allowed, so to the motion for the adjournment of the House, no amendment can be made, except as to the time of the adjournment. Under these circumstances I feel called upon to decide that the amendment proposed by the hon. member for Shelburne is irregular and cannot be put," 483.

On recording a vote. Member claimed he had a right to record his vote, being in the House when the motion was put (Mr. Bunster). Ruled that "no member shall walk out of or across the House," according to the 17th Rule of the House (Mr. Speaker) 724.
