

After the Committee was signed  
and he settled down to business again  
I dreamed that it would be possible  
to form a Montreal Real Estate Board.  
On every hand I was met by protests and  
the prophesy that it would be a failure, as  
it had been, twice, before. I persisted.  
I secured the support of my Employer Mr  
John James Esq. Brown, Mr A. S. Ross Mr  
Royal Irving and the big men and we  
put the thing on the map where it is  
now and doing splendid work - "me  
fait accompli". Now my persistence  
then was for the sole reason to pave  
the way to make a proposition such  
as I am now - to induce Mc-Gill  
University to recognize Realty as a Profession.

If your associates and yourself  
would desire to go into the question  
matter I shall be glad to go into it  
with you - from its necessity - and  
how it can be done. I am sure it  
can be accomplished without any
