The prolongation of the 49th parallel of latitude from the Rocky Mountains to the Pacific has been assumed as the Northern Boundary of the U.S. States possessions on the N.W. coast, in consequence of the following extract from the Hon. H. Clays letter to M^r Gallatin dated June 19th 1826. see Dec. 19th 20th Cong. 1 sess. Ho. of R. You are then authorised to propose the annulment of the third article of the Convention of 1818, and the extension of the line on the parallel of 49 from the eastern side of the Stony Mountains, where it now terminates to the Pacific Ocean as the permanent boundary between the territories of the two powers in that quarter. This is our ultimatum and so you may announce it
