" [Resolution submitted.] "

IN THE SENATE OF THE UNITED STATES.

AUGUST 24, 1888.—Ordered to be printed.

Mr. HOAR submitted the following

### RESOLUTION:

*Resolved*, That the President of the United States be requested, if not in his judgment incompatible with the public interest, to communicate to the Senate copies of all communications, if any, addressed by his direction to the Government of Great Britain, remonstrating with that Government against the wrongs and unfair treatment to our citizens by the action of the Canadian Government in refunding to vessels and cargoes which pass through the Welland and other Canadian canals nearly the entire tolls if they are destined to Canadian ports, while those bound for American ports are not allowed any such advantage; and the breach of the engagement contained in the treaty of 1871, whereby Great Britain promised to the United States equality in the matter of such canal transportation; also copies of any demand made by his direction upon Great Britain for the redress of such wrongs, and the replies of Great Britain to such communication and demand.
