

# **PREMIER GASOLINE**

*"More Miles per Gallon"*

# **POLARINE MOTOR OIL**

*"Makes a Good Car Better"*

*Both Make*

**A Spry Engine, A Speedy Car**

That smooth, steady flow of power, those quick starts and instant pick-ups, denote perfect lubrication and perfect fuel. Polarine can't congeal at low temperature nor break and gum under high heat.

**Premier Gasoline and Imperial Polarine  
are used exclusively by the Calgary Fire  
Department.**
