## INQUEST WILL FOLLOW YOUNG SMITH'S DEATH

Great Day for Sports in Junction - Death of Markham Lady-County Items.

TORONTO JUNCTION, Sept. 22.—
Saturday was the field day of the public schools, and it is safe to say that a happier event of its kind never took place in the history of Toronto Junction. Nature seemed to be in accord with the desire of the youngsters for a pleasant afternoon's fun, and the weather conditions were ideal. Even the grown-up men and women, of whom there were upwards of 300 present, seemed perafternoon's fun, and the weather conditions were ideal. Even the grown-up men and women, of whom there were upwards of 300 present, seemed permeated with the light-hearted buoyancy of the little girls and boys who swarmed everywhere like bees. The motto on Saturday afternoon seemed to be "One for All, All for One." The members of the school board were early on the grounds, preparing the youngsters for the long list of races which was the feature of the day's proceedings. Mayor Baird, members of the town council, and several prominent business men of the Junction were also noticed among the merry throng of juvenile humanity, of which there were about 1800 present. The silver band of the Salvation Army enlivened the proceedings with a plentiful supply of religious and patriotic airs, "The Maple Leaf" being played with almost secular enthusiasm. The school board and

## Where to Put Up

Some people think that Local Option will interfere with good accommodation. On the contrary, it will eventually improve Can any farmer point out a hotel in the City of Toronto where he can obtain the attention he is entitled to for himself and horses? There is money to be made in giving good accommodation, but there is more money to be made out of the bar, and so the traveling public suffer. When Local Option comes, catering to the needs of travelers will be a clean, honorable business by itself, and farmers will have the conveniences

they deserve. VOTE LOCAL OPTION. Girls, 13 years—M. Penrice, Ina Whetham and Florence Lawson.

NEWMARKET.

Good Chance for Live Detective-Town Rate is Pretty Steep.

NEWMARKET, Sept. 22.—Newmarket tax rate this year will be 27 mills on the dollar, or \$3 on the \$1000 assessment over last year. Several causes are given for the high rate, among others, the deficit from last year, increase in county rate, great increase in cost of high school, about 33 per cent., and the Queen-street bridge. Last year the rate was 24 mills. The pulpit of the Preshyterian Church was occupied to-day by Mr. Whitelaw of Fairbank.
