Not So

Because we handle the finest goods in Canada some might suppose we were not "at home" on the less expensive lines.

That is a mistaken idea. No shop in Canada can offer such a complete line of choice gifts between, say, 25c and \$3.

We have \$1000 rings, for instance, but no jewelry shop in Canada—and we say it advisedly—can show you such a variety of moderate-priced ones.

Of this you may be sure also, quality is never sacrificed. Every article leaving our place has our reputation to sustain.

Our handsome catalogue is intended for those only who are unable to visit us personally, and will prove a wonderful help to such.
