

scholar, and only left to seek employment in a distant part of the country, where he met with an accident which he only survived about two days. During that time, however, he gave abundant evidence that to him death was but the entrance to a better life.

The other friend to whom we would refer is the late Mr. Joseph Mackay, whose face we have seen with pleasure among us on more than one occasion at our Sabbath services, and who always took a deep interest in this school. Before his last illness, he caused a legacy of \$200 to be inserted in his will for the benefit of our Library. By the books which this fund will provide, he being dead will continue to speak. To the relatives and friends of these departed ones we would tender the expression of our deepest sympathy.

The amount collected for missions during the year, was \$23.35, and will be allocated this evening.

The amount collected for the Library Fund is \$25.36. From this Fund we supply each of you with a copy of the British Workman, at a cost of \$10 per annum, and we added at the close of the year \$30 worth of books to the Library. This Library is open to all the people of the district free of charge. The Librarian is regularly at his post, and to him, and to the keeper of the roll and his assistants the thanks of the school are due.

The following is the allocation of the amount collected for missions :—

Home Missions	\$7 75
Formosa, China	7 75
French Evangelization	7 85
	\$23 35

At this meeting were present Rev. A. B. Mackay, Rev. R. Campbell, Mr. Croil, and Mr. Thos. Davidson who delivered addresses. Mr. McLaren and some of the members of his choir were also present, and added materially to the programme of the evening.
