

It requires expert knowledge to select gilt-edge furs. We've been exercising that knowledge for over fifty years.

Is it any wonder that Dineen's fur garments are known the continent over for the superiority of their quality? And the style of each garment is appreciated as being distinctive.

You must make it a point to visit our fur show-rooms. Try and do that to-day. Notice the display of Persian Lamb. Nothing ever shown like it before.

THE PENMAN GAMES FAST TIME, SMALL CROWD

Kerr Equals World's Record in 220 Yards Race—The Summaries.

HAMILTON, Sept. 6.—The Penman games were decided here this afternoon before a sparse crowd, but there were almost 100 entries. Following are the summaries:

100 yards, boys—First heat—1, J. Mainwell, Hamilton; 2, Hyslop, Hamilton. Time 11 seconds.

100 yards, boys—Second heat—1, Eccles, Hamilton; 2, Forster, Hamilton. Time 10.4 seconds.

100 yards, open—First heat—1, R. Kerr, Hamilton; 2, J. White, Toronto West End. Time 10.15 seconds.

100 yards, open—Second heat—1, R. Kerr, Hamilton; 2, H. Pearson, Y.M.C.A., Hamilton. Time 10.25 seconds.

100 yards, open—Third heat—1, Lou Sebert, Toronto West End; 2, Murphy, Hamilton. Time 10.35 seconds.

100 yards, open—Fourth heat—1, George Barber, Toronto Central; 2, W. Worthington, Toronto West End. Time 10.4 seconds.

Final, 100 yards, open—1, Kerr, Hamilton; 2, Sebert, Toronto West End; 3, W. White, Hamilton. Time 9.45 seconds.

Kerr made a show of the field, winning by seven yards. Sebert was an easy second.

Half-mile run—1, Knox, Toronto Central; 2, Tait, Toronto West End; 3, Selby, Toronto Central. Time 21 min. 1 second.

Quarter-mile, boys—1, Hyslop, Hamilton; 2, Eccles, Hamilton; 3, Miller, Hamilton. Time 59 seconds.

12-lb. hammer throw—1, McKay, Toronto Central; 2, Archibald, Toronto West End; 3, McKeown, Hamilton. Distance 128 feet 8 inches.

The standing for the championship at this stage was: Hamilton, 25 points; Toronto West End, 15; Toronto Central, 5.

220 yards dash—First heat—1, Kerr, Hamilton; 2, J. White, Toronto West End. Time 23.4 seconds.

220 yards, preliminary—First heat—1, R. Kerr, Hamilton; 2, J. White, Toronto West End; 3, Thorley, Toronto Central. Time 23.4 seconds.

Second heat—1, W. White, Hamilton; 2, L. Sebert, Toronto West End; 3, G. Barber, Toronto Central. Time 23.35 seconds.

One mile run—1, Knox, Toronto Central; 2, Meadows, Toronto West End; 3, Tait, Toronto West End. Time 4.36.35.

Running broad jump—1, Bricker, Toronto West End; 2, Barker, Toronto Central; 3, Worthington, Toronto West End. Distance 22 feet 3 inches.

220 yards dash—Final heat—1, Kerr, Hamilton; 2, Sebert, Toronto West End; 3, W. White, Hamilton. Time 21.3.5.

Running high jump—1, Barber, Toronto Central; 2, Cameron, Toronto Central; 3, Frank, Toronto West End. Height 5 feet 8 inches.

120 yards, hurdles—First heat—1, Barber,

Toronto Central; 2, Bricker, Toronto West End. Time 18.15.

120 yards, hurdles—Second heat—1, Marshall, Toronto West End; 2, Worthington, Toronto West End. Time 18.45 sec.

SHAVING MADE PERFECT.

There is nothing more remarkable in the present age than the movement towards the nicest physical cleanliness.

Hardly ever, at least amongst the younger generations, do we now see a bearded man. The clean shaven man is assured by competent medical authority that he not only looks better but is in better health, all because the absence of beard and moustache prevents the contagion of disease germs.

The moustache still lingers, but in a very few years there is no doubt that the world will see all adults of what-ever age beardless and moustacheless.

One of the reasons why full shaving has not become the vogue is the bother of shaving at home—it was a nuisance. But this is all changed now, since the invention of the celebrated Gillette Safety Razor.

Society demands that a man be fully clean shaven, and every gentleman should make shaving a part of his morning toilet, just as much as attending to his bath, wash, manicuring and teeth.

The Gillette Safety Razor makes it easy to place shaving amongst the requisites of the morning toilet. To-day, in fact, no gentleman's toilet is complete without a Gillette.

And when shaving can be done more easily at home and without squandering of time, what is the sense of spending time in a barber shop waiting for "Next," and probably running the danger of catching a facial disease?

The Gillette Safety Razor, "Made in Canada," is the original instrument, the genuine and the very best. Thousands of these handy home razors are turned out daily, and dealers say that the demand is daily increasing. Not only does a Gillette make shaving easy and comfortable, but the user escapes all the petty annoyances of the barber shop.

Come to the Gillette Booth, No. 28, manufacturers' annex, east side, and see a demonstration. The Gillette Safety Razor costs \$5 complete with ten blades. It will give you \$50 worth of comfort and cleanliness.

Credit Auction Sale.

To be held at Mr. Ward's Hotel, Cookville, Wednesday, 8th Sept., 1908, consisting of fresh calves cows, springers, 20 two-year-old heifers and steers, 15 yearlings, 10 cows in full flow of milk, supposed to be in calf, six stock bulls. J. Thompson, Auctioneer.

Burk's Ice Cream Cones at Ex.

A meeting for reorganization of the Toronto Bowling Club League will be held in their quarters on Temperance-street Tuesday evening. A large attendance is anticipated. Officers will be elected to arrange for a subsequent meeting, when the fall schedule will be drawn up.

Toronto Bowling Club.

WOODBRIDGE, Sept. 6.—A very enjoyable time was spent last evening at the home of Mr. and Mrs. George Elliston, Pine-street, when their son William, who had been married on Wednesday to Miss Annie Reid of Collingwood, returned home. It was quite a surprise to the young couple when they arrived home about 10 p.m. to find a house full of people waiting to receive and congratulate them. Christ Church choir, of which Mr. Elliston was a member, presented them with a handsome marble clock. An address was read by Len Wallace, while Auber Secord made the presentation.

Toasts were proposed by Capt. T. G. Wallace and ably responded to by the groom and his father. The young couple will reside in town.

After spending a very pleasant evening with the young people's friends, several hours, all joined in wishing them a long, happy and prosperous life.

NORTH TORONTO.

Hydro-Electric Engineer Will Look Over The Town.

NORTH TORONTO, Sept. 6.—Councilor Parke had an interview with the engineer of the Hydro-Electric Power Commission and received the promise from him that he will be up in North Toronto some day during September to see how many lights could be placed in town, and to give the council an idea of how much electrical power would be needed.

The subject of annexation to the city forms much of the conversation of the

York County and Suburbs

TWIN CITIES AGREE ON ANNEXATION BASIS

Saturday's Meeting Advanced Project a Step—Fire Balloon Went East—County News.

WEST TORONTO, Sept. 6.—At a meeting of the representatives from West Toronto and the city on Saturday morning, a certain basis of agreement was arrived at with respect to the outstanding issues between the two municipalities. These are practically as follows:

West Toronto to be known as ward seven, and to have two representatives in the council and one in the population reaches 100,000 after which it shall have the same number of aldermen as other wards.

The bonded indebtedness to remain under present conditions until it becomes due—35 years—when the city is to have the right to renew and to provide a sinking fund.

The annexation is to be completed as soon as legislation can be obtained, and if early enough, is to have the right to re-assess West Toronto so as to make their assessment the same as Toronto.

Charles Douglas of Toronto, a C. P. R. special constable, was arrested this morning on a warrant sworn out by William May, one of the strikers doing pocket duty at the C.P.R. crossing. It appears that on Saturday night about 7.30 o'clock May, in company with John H. Keach and Edward Daniels, two of his ex-fellow-workmen, were in the yards of the Toronto Junction Lumber Co., on Vine-street, adjoining the C.P.R. property. With out any warning, or excuse for his conduct, the three men claim that Douglas suddenly appeared before them brandishing a revolver. Magistrate Ellis was notified, and the warrant made out as requested, but he refused to take it till daylight this morning. Douglas claims that the strikers were in the lumber yards deliberately pelting him with stones as he was passing. He was hit in the head and chest, and he says he never saw the constable till he appeared in front of them with the revolver. Douglas was taken to the C.P.R. hospital and \$100 and \$100 additional furnished by County Constable Tomlinson. The case will come up on Wednesday.

Two arrests on highway conduct were made on Saturday night. William Forster was arrested at his home, 31 Western Avenue, on the charge of William Jarrell was gathered in from the corner of Keele and Dundas-street. Both were sent to the C.P.R. hospital.

Herbert Wells of York Township, a strike-breaker at the C.P.R., had Robert Hill in police custody on Saturday, charged with assault. Police Magistrate Ellis adjourned the case for Friday.

The firemen had two runs this afternoon. A false alarm came from box 43, the Union Stock Yards, at 4.30, and the firemen were sent out. At 5.15 o'clock a telephone call brought the firemen over to the corner of High Park-avenue and Beattie-street, where a woman's dress was on fire. The damage amounted to about \$25.

On account of to-morrow being a holiday, the council will meet on Tuesday evening.

There are forty cars of stock in the Union Stock Yards for to-morrow's sale.

The youngest child of Mr. and Mrs. Allen Hersey, 19 Vine-street, died to-day.

BETTER WATCH OUT.

Here's Something Even More Dangerous Than the Auto.

Wallace W. Thompson of Danforth, Scarborough Township, license inspector for East York, and one of the best known men in the county, sounds a note of warning to the brother farmers, which is most timely, and during the present week might well be observed.

Mr. Thompson states that one of the five balloons sent out from the exhibition grounds during the fireworks landed within 30 feet of his outbuilding on Friday night, and was then emitting fire. It was observed and hastily removed. One or two other cases have been reported. At this season of the year there is a straw stack in nearly every barn yard, and with the present dry conditions the result in Mr. Thompson's case would have been most disastrous. Danforth is about 11 miles north and east of the fair grounds as the crow flies.

The suggestion is made that the exhibition authorities refrain from sending up balloons of this nature except when the wind is off the shore. In the case of Mr. Thompson, the straw stack was a haystack, and others interested would do well to keep a weather eye out during the evening.

WOODBRIDGE.

Popular Young Couple Are Accorded a Happy Marriage.

WOODBRIDGE, Sept. 6.—A very enjoyable time was spent last evening at the home of Mr. and Mrs. George Elliston, Pine-street, when their son William, who had been married on Wednesday to Miss Annie Reid of Collingwood, returned home. It was quite a surprise to the young couple when they arrived home about 10 p.m. to find a house full of people waiting to receive and congratulate them. Christ Church choir, of which Mr. Elliston was a member, presented them with a handsome marble clock. An address was read by Len Wallace, while Auber Secord made the presentation.

Toasts were proposed by Capt. T. G. Wallace and ably responded to by the groom and his father. The young couple will reside in town.

NORTH TORONTO.

Hydro-Electric Engineer Will Look Over The Town.

NORTH TORONTO, Sept. 6.—Councilor Parke had an interview with the engineer of the Hydro-Electric Power Commission and received the promise from him that he will be up in North Toronto some day during September to see how many lights could be placed in town, and to give the council an idea of how much electrical power would be needed.

The subject of annexation to the city forms much of the conversation of the

ZERO WEATHER DOES NOT MEAN DISCOMFORT WHEN YOUR HOME IS HEATED WITH A PEASE ECONOMY HOT-WATER BOILER

Pease Foundry Co., Ltd.
28-38 Queen St. E., Toronto.

property owners in town. In conversation with the city engineer, it is learned that the subject is a popular one, and they would hail with delight the day when annual laborers' pay is consumed as they claim it would solve the question of sewage disposal, the school board and other difficulties, with which the town is confronted. On the other hand some prominent citizens are opposed and some are also talking about a petition for a watermain on that street. Both avenues are part of the Northern Heights property at Bedford Park.

Rev. Mr. Wright of Toronto preached at the Epworth Presbyterian Church to-day. It was a very interesting sermon, and the congregation was unusually large.

LONG BRANCH.

Rescued After Four Hours Battling With the Waves.

LONG BRANCH, Sept. 6.—(Special.)—A daring rescue, in which Ben Hobbs and Mr. Duffell of Long Branch figured prominently, took place here this afternoon.

About 1.30 the occupants of a sail boat about a mile out in the lake were seen to be in trouble, and a launch was sent out to rescue them. They were rescued, but the launch was overturned, and the men were seen to be in a perilous position. They were rescued, but the launch was overturned, and the men were seen to be in a perilous position.

EARLS COURT.

Lack of Fire Protection Was Very Marked.

EARLS COURT, Sept. 6.—That finely situated but shamefully neglected portion of York Township known as Earls Court, had its first early this morning, when the Morrison dwelling on Highland-avenue was completely burned. It was shortly after midnight that the fire broke out, and the residents in the immediate vicinity, Mr. Morrison, who is a laborer, had, with his household, been absent from the house since noon. It is likely that the fire was smouldering during this time, probably near the kitchen stove. The opening of the front door for the removal of the furniture, for the whole house burst into flames. Prompt action on the part of the neighbors prevented the flames spreading to Mr. Morrison's house and three others on Hertel-avenue.

Within twenty minutes the building was burned to the ground. The houseless family found refuge with neighbors. Both house and contents, the former valued at \$250, were covered by insurance.

It is probable that immediate annexation to the city, if for fire protection alone, will be looked upon more favorably now than it has been.

A Delicious Drink.

Just walk up the main aisle of the manufacturers' building till you come to O'Keefe's Star Beer Exhibit—get a glass of this delicious beer and you'll feel fit for the rest of the day. Star Beer is the O'Keefe Brewery Company's latest brew—contains less than 1.4 per cent. alcohol, but embodies all the good properties of the finest lager. It is rich, wholesome, delicious, mild—a temperance drink which quenches thirst.

ZINGARIS PUT UP 253 MATCH ENDS IN A DRAW

Quakers Have 119 for Seven Wickets When Time is Up—All the Scores.

The touring Philadelphia cricketers finished up in Toronto on Saturday, the result being a draw in favor of the Toronto Zingaris. As it was a two-days' game, and the visitors were behind in the first innings 253 to 224, the locals only got credit for a draw.

It was the splendid batting of S. R. Saunders that saved the day, he just missing a century by five. The Quakers were in for their second venture, and seven wickets were down for 119 runs when time was up. The tourists left for home Saturday night. Scores:

Philadelphia, first innings—224

Philadelphia—Second Innings—

Clark, c. Ingle, b. Wright 17

Evans, c. b. Wright 14

Leroy, bowled Greening 14
