Note and Comment

When Newark comes to town there is always a topic of discussion in the trade of Schaff and Getman for Mullen and Mahler, and there is no reason to believe that a favorite here is always evident when he goes first to bat. He responded yesterday by a clean first time up and a hot one to show him up with an error in the second inning, and the Toronto man came back later with a timely hit for the second run. Mullen was on the bench and Getman might as well have been there for all he did at the bat or in the field.

Here's another new one: During the Toronto game at St. Louis, the other day, 20 fans, including over the Browning crowd, held an indignation meeting in the right-field bleachers and cheered every play that went against the Browns. Secretary Rickard brought over a squad of police to break up the vociferous mob, but the number of disgruntled fans grew in size, and the police were forced to retreat.

While the Tecumsehs are trimming the Capital youngsters to-day, the Capital team at Toronto will show their claim to championship class against the Nationals at Montreal. If the Toronto keep up their clever work of a week ago, they must beat the Frenchmen to make the Tecumsehs, Shamrocks and Montreal sit up and think.

The finals at Winnipeg to-day in the field and championships, and most of the gold medals for Toronto, is not better than when all the firsts went to established amateurs of New York?

Real Money For Ben Houser.

Conrad Mack, owner of the Philadelphia Americans, will take Ben Houser, the popular first baseman of the Lehigh Valley, in exchange for present season, paying in exchange \$500 cash. Carl Lundberg has been offered to report by Manager McKelvey. McDonald, the third baseman secured from Rochester, cannot report for a while, his mother is very sick. Schwartz, the young Buffalo outfielder, has been released already.

Jersey City has bought pitcher Wm. Milligan from Columbus, and he will go to Buffalo to join the Eastern League, and once had a short trial by the New York Nationals.

Right Fielder Henry (Happy) Smith, the leading outfielder in the California State League, will be batting .35 for ninety games, has signed with the Chicago Nationals.

Mike Donlin, former captain of the New York National League team, has declared his willingness to resume his place on the team if his terms are met.

Newark's Only Tally a Home Run Pfeffer Effective in Pinches

Joe Kelley Chased for Talking
To the Umpire—Providence Wins From Buffalo.

Toronto defeated Newark before a Friday crowd at Harts Point because Pfeffer, better in pinches than Southpaw Phil, the visitors' only run coming from a long fly by Wolfson that went over the bleachers. Umpire Murray threatened to lose control of the players towards the finish, 12 hurries grip from the bench in the sixth for bawling, and chased Kelley from right field in the seventh for simply informing him that he was a fathead. Grimshaw was in fine form at the bat and in the field, he made an error on hand-hit ball Joe Kelley lined out a clean single first time up and later laid down a perfect bunt. The number of disgruntled fans grew in size, and the police were forced to retreat.

Widely opened Toronto's sixth with another base on balls. Houser sacrificed, NEWARK was safe on a slow one to Wolfson. Mahling hit between short and third for one run. Kelley bunted, and the bases were full. Prick's ground-er to the pitcher forced a man at the plate, and then Vandy singled to tie the score. Kelley hit a low liner to Schaffy ended the inning.

In the eighth, Grimshaw hit a low liner that Packer Meyers caught on his toes, but, throwing to first, the umpire said it was safe. The heave was wide and the run reached third. Mahling bunted, and the run scored. Lapp throwing wild to first, Meyers was grieved for weird work.

NO SCORE IN 18 INNINGS
Detroit and Washington Play Remarkable Game—Double Play.

At Detroit—Detroit and Washington played what is believed to be a record game for consecutive scoreless innings in a major league contest, the game being called at the end of the eighteenth. Sumner pitched for Detroit, and backed by brilliant fielding, was never in danger of being scored on. He struck out ten men and was at his best when errors put him at a disadvantage. Gray, for Washington, went into the ninth lining with a record of but one hit against him. In the ninth, while pitching he strained his side and was forced to retire. Groom succeeded him and did remarkable work in pitching. He hit Oldring, Groom and Crawford, preventing probable runs.
