COMEDY OF ERRORS GAVE ROYALS GAME

Leafs Presented Visitors With Two Runs in Second Innings on Four Boots.

Toronto's quiet Sunday has its bad effects. The Leafs were so lulled to peaceful rest on the Sabbath that they forgot to wake up and in the second innings of yesterday's contest at the island they handed Montreal a ball game. The score was 5 to 3 and three Montreal runs were a gift.

Herbert got his usual dose of luck, and the Leaflets booted everything in sight in that second round. It was a comedy of errors. The first three visitors up should have died, but they all got a life. The local fielders were still under the influence of the quiet Sunday. Cather topped towards second to start the second, but Graham couldn't find first base when he attempted to throw him out. Kelly fielded Wagner's bunt, but Hogan dropped the throw to head off Cather. The infield was drawn in when Slattery came up. He tapped past Truesdale to score the first run. Damreu laid down a bunt, and Hogan made a mess of it. Thompson pulled off the only piece of sparkling play in a bad session. He grabbed Howley's hot liner and made a perfect throw to the plate to cut off Wagner. It was the best throw of the year at the local ball yard. Blackburne juggled Cadore's roller long enough to let the runner reach first and let another run across. Moran died to end a pitiable round.

The third saw more trouble. Almeida walked and Cather poked safely. Wagner came thru with a hit. Slattery raised to short right and Trout came near being put out of business when he collided with Truesdale. It went for a hit when the ball fell safe and a run scored.

Solid hitting gave Montreal two more in the 6th. Wagner singled, Slattery sacrificed. Damreu rolled out, and Howley sent a run scampering home with a smash to left. Cadore bounced a two-base hit off the right field bleacher fence to make the other one possible. Thompson cut off another score in the ninth with a perfect throw.

Our first run was a gift. Thompson singled and then Cather lost Murray's high one in the sun. It meant two bases and a run. Truesdale and Thompson supplied doubles in the third to count our second. Hogan's double, Herbert's sacrifice and Truesdale's honest slap made the total three in the fifth.

With the second inning left out the Leafs played just as smart ball as their opponents and Herbert was entitled to a better deal. Everybody went up in the second round, and it was the poorest exhibition of the season. Howley has a smart club chuck full of life, and they are going to make a lot of trouble before the season is over.

Thompson earned a regular place on the team by his smart fielding, throwing and timely batting.
