and to the numerous other friends who donated both money and "kind" prizes.

The Jubilee Cup arrived in due course, and was presented to the first winners, the 6th Fusiliers, at a special parade at the Drill Shed, on Thursday, 21st June, by Alderman Grenier, on behalf of the Corporation of City of Montreal.

MATCHES.

An entirely new departure was made this year, and, through the want of a Rifle Range in Montreal, the Association was compelled to hold its Matches on the Rideau Range, in Ottawa. The programme was drawn up on similar lines to last year, and, under the circumstances, was a complete success.

The entries, though not quite so numerous as last year, were most satisfactory, there being 33 teams and 1,944 individual, against 43 teams and 2,029 individual, the largest number of entries in any regular match being 152, as against 144 last year, in the Association, and 413 in the Extra Series 600 yards, as against 452 last year at 500 yards.

We have the same number of Affiliated Associations, 17, but only 32 Individual Members.

The Executive Officer was Lt.-Col. Mattice, with Major Radiger, Capt. Manly and Lieut. Winters, as Range Officers, to whose energy and promptness a good deal of the success of the meeting was due.
