REDS ARE ROUTED IN AN ATTEMPT TO MAKE A THREAT AGAINST CHINA
Tokio, April 24.—The Bolshevik attempts to threaten China by advancing from the Jigoda Valley northwest of Chita, have been frustrated by Japanese and anti-Russian forces, who routed the Reds at Werkinskoje April 12.

For Increased Pensions.
Washington, April 24.—A house bill increasing pensions of civil war veterans to \$30 monthly and those of the widows of veterans to \$30 monthly was passed by the senate yesterday, and now goes to conference.

CONVENTION OF MANUFACTURERS

Vancouver Making Plans for Big Meeting in June—An Outline of the Programme.

(Canadian Press.)
Vancouver, B. C., April 24.—Though still in an embryonic state plans are being made locally for the reception and entertainment of delegates of the Canadian Manufacturers' Association, who, to the number of 250, will arrive here from all parts of the Dominion to attend the annual convention on June 7. The visitors will come in two special trains, one bearing Ontario delegates, and the other those from Quebec and the maritime provinces.

"Get acquainted" will be the order of the day as soon as the delegates reach the city for that purpose Monday morning being left vacant. For the afternoon there will be a motor trip around Burrard Peninsula to Coquitlam, and the party will be the guests of New Westminister while passing through the royal city.

Morning and afternoon sessions for business will be held Tuesday and Wednesday, the delegates being entertained, it is anticipated, by various public bodies at luncheon each day. Among these will be, in all probability, the board of trade, the Rotary and Yvonia clubs, and at some early stage of the gathering Premier Oliver will extend a welcome on behalf of the province.

A trip up the inlet to the North Arm will be one of the most delightful events of the convention.

On Wednesday evening the annual banquet, always one of the most important features of the convention, will be held in the hall room of Hotel Vancouver.

This function will end the proceedings as far as Vancouver is concerned, and on Thursday morning the party will take boat to Victoria and in the afternoon will be taken to the magnificent gardens of R. B. Butchart at Tod Inlet. In the evening there will be a ball or reception and on Friday morning there will be a motor trip around Esquimalt and Gordon Head.

Meanwhile the ladies of the party will be well looked after and a series of pleasant gatherings for their delectation are being arranged. One of these will be a trip by boat to Wigwag Island, on the North Arm, and some of the ladies' organizations have other entertainments under way.

There will be no formal function when the party returns from Victoria, as the members will go immediately to the trains en route for home.

All these plans are tentative at present, but the above is a general outline of the suggested entertainments.

Business matters to come before the convention are under consideration by the local branch of the association, which has 162 members in British Columbia. There are 4,100 members in the Dominion.

Pale-Cheeked Girls Tired-Out Women Quickly Built Up

WONDERFUL RECORD MADE BY NEW FOOD-POOD REMEDY.
Certain Results Guaranteed.
Pale people have pale blood. In other words, the blood is watery and lacks red corpuscles. The stomach is weak. Assimilation is poor and food is not changed into blood. Naturally the system is robbed of vitality, lacks strength and reconstructive power. Don't slip from vigor into weakness. Don't allow the appetite to fall, but instead use Ferronose.

You're bound to feel rejuvenated and strengthened at once. Appetite is braced up, digestion is stimulated, vigor imparted to the stomach. Everything you eat is transformed into nutriment that supplies what your thin, weak system needs.

Vital, life-giving blood that makes rosy cheeks and dancing eyes—that's the kind that Ferronose makes.

The strength and buoyancy that defies depression and tiredness, that's the sort you get with Ferronose.

Not only will it improve looks and spirits, but by rebuilding all weak, tired organs, Ferronose establishes a soundness of health that's surprising.

For women and girls who want to feel well, to look well, to be well, and to have nothing known in the annals of medicine is so certain as Ferronose.

Won't you try Concentrated cure in tablet form, that's Ferronose, 50c. per box or six for \$2.50, at all dealers, or direct by mail from The Catarisome Co., Kingston, Ont.

Electrifying Ontario.
New York, April 24.—As the direct result of the utilization of the water power in the province of Ontario by the Hydro-Electric Power Commission, there is an increasing demand in that province for electrical fixtures and labor-saving equipment. American-made products command the market, and from large cities and rural communities served by the lines comes a call for more power to light houses, operate washing machines, vacuum cleaners, and all the other modern appliances with which American homes have been equipped.

While at the moment the demand is limited to this particular section of the Dominion, it is probable that similar development will take place in other parts of the country at an early date, and a consequent spread of the demand may be expected.

Colonel McMillan, chief secretary of the Salvation Army in Canada, gave an address on the 29th psalm at the close of the holiness meeting in the Charlotte street Methodist church, Fredericton, where with Brigadier Moore, they will hold joint meetings in connection with the general organization campaign.

The Exmouth street Methodist church choir accompanied with the Excelsior Club Tuxis boys' orchestra entertained the inmates of the Industrial Home last evening. After a short talk by Rev. G. F. Dawson the following took part in a programme: Harold Hopkins, Walter Baggett, Miss Minnie Myles, Miss Edith Magee, Miss Mildred Bustin, Miss Alice Dawson and Gordon Stevens.

OWES HER LIFE TO "FRUIT-A-TIVES"

The Wonderful Medicine, Made From Fruit Juices and Valuable Tonics.

MADAME ROSINA FOISIZ.
29 St. Rose St., Montreal.
"I am writing you to tell you that I owe my life to 'Fruit-a-tives'. This medicine relieved me when I had given up hope of ever being well. I was a terrible sufferer from Dyspepsia—had suffered for years; and nothing I took did me any good. I read about 'Fruit-a-tives'; and tried them. After taking a few boxes, I am now entirely well. You have my permission to publish this letter, as I hope it will persuade other sufferers from Dyspepsia to take 'Fruit-a-tives' and get well."

MADAME ROSINA FOISIZ.
"Fruit-a-tives" is the only medicine in the world made from fruit.
