beautiful silver cake basket in honor of  
her recent marriage.

**SPEAKS ON ST. PATRICK.**  
In the Cathedral yesterday morning,  
His Lordship Bishop LeBlanc spoke of  
St. Patrick and paid tribute to Ireland  
for her strength in Catholic faith through-  
out the ages. The emerald Isle was con-  
verted from paganism. He drew from  
the saint's life lessons of perseverance  
and the efficacy of prayer. He told his  
people it was a great blessing to be  
Catholics and they should practice well  
the teachings of the church and be faith-  
ful to the end.

and a net tonnage of 500. As already  
stated in the Times, Captain Barnes is a  
former St. John man.

Navy League for distribution at the  
British sailors' relief funds. The Y. W.  
P. A. have again volunteered to assist  
in the work as they have lately  
taken up navy work here. In the evening  
the St. George's Society will have a  
patriotic celebration at the Temple club

the Royal Naval Hospital at Greenwich,

**COUNTY I. O. L. IN  
FIGHT AGAINST  
POWER CO. RATES**

Delegation Will Be Sent to Fred-  
erickton to Re-inforce the Citiz-  
ens Committee

The St. John County Loyal Orange  
Lodge the latest organization to  
up in the fight against the New Brun-  
swick Power Company's proposals to in-  
crease their rates for electricity, gas and  
street car fares.

A meeting of the county lodge was  
held in the Orange hall, Gormans street,  
on Saturday evening, Francis Kern  
county master, presiding. The matter  
was fully considered and the meeting  
decided to send a delegation of four or  
five members to reinforce the citizens'  
committee when the battle occurs be-  
fore the legislature in Fredericton. The  
representatives of the lodge will be ap-  
pointed by the county master.

**McAVITY BOWLING LEAGUE NOTES**

Well, boys, the second week's final  
saw a decided change in the individual  
and team standings, and most of the  
wise ones' prognostications have gone  
astray.

Although the King Street office team  
has been unfortunate so far, they have  
the material for a good team and will  
slip something over yet on some unsus-  
pecting confident crowd.

Great interest has developed in the  
league, and the Victoria Alleys resound  
nightly with the noisy routing of the  
fans.

One of the erstwhile captains has at  
last arrived at the conclusion that it  
takes something more than hot air to  
topple over the timber, and has thrown  
up sponge.

The 92 Team surely came back strong  
after their former beating, and just-  
ified Capt. McCreedy's judgment in se-  
lecting a winning crew to represent the  
heavy artillery.

Guess the noon hour crowd practice  
must have worked wonders with the  
Water Street Foundry boys, as they  
have certainly put it all over the one  
team they most wanted to whip. Get  
the man with the rooster to do the crow-  
ing.

Curtains for Jimmy, he has lost all  
hope and says "when they come in late,  
they cannot lose!"

Big Chief Myers—The Father of the  
League—can be depended on to keep life  
and pep into any organization with  
which he is connected—but the runaways  
are sure slippery—Eh, Lowell!

If there are any noise-making imple-  
ments at the King Street Store other  
than the ones they so successfully used  
on Thursday night, be sure to have them  
on hand next week, Andy.

Harrison's 45 Light Artillery are well  
out in front, but the tough end of the  
schedule is yet to come.

Treat and Foshay are in the middle  
of an awful slump and seem to have a  
competition as to which can chop out  
the lowest score.

The Vulcan Foundry demonstrated  
their right to be considered as contend-  
ers for pendant possibilities.

The Doctor has been an absentee all  
this week and the boys miss the music.

**SALVATION ARMY MISSIONARIES  
HERE ON WAY TO INDIA**

A party of five Salvation Army mis-  
sionaries arrived in port yesterday from  
England, consisting of Mrs. Brigadier  
Claydon, Major Brox, Mrs. Staff Cap-  
tain Tidley, Mrs. Ensign Mortimer  
and child and Mrs. Captain Closely.

They are all missionaries of many  
years standing and have been on fur-  
lough in England. They are returning  
to their new posts for another period  
of seven years (this being the regula-  
tion length of a Salvation Army missionary's  
stay without furlough), although several  
of them have spent between twenty-five  
and thirty years already as missionaries.

Another section of the party, consist-  
ing of six other women missionaries,  
have arrived in Halifax and will join  
the party already here. A public reception  
will be given them in the Charlotte  
street citadel when Colonel Jacobs, rep-  
resenting Commissioner Richards, will  
preside. On Thursday the party will  
leave for Vancouver, from which port  
they will sail for India via Hong Kong.

**GETS BRIDE IN ENGLAND**

Relatives in Fairville have received  
news of the marriage of Private Hazen  
Zwicker in London a little while before  
his departure for home on sick leave.  
Private Zwicker makes his home in  
Lunenburg, N. S., and is a grandson of  
the late Rev. LeBaron McKel, for many  
years rector of the Church of the Good  
Shepherd, Fairville. The bride was  
formerly Miss Annie Charnley of Roads  
avenue, Blackpool, and the ceremony  
was performed by the Vicar of St. Augus-  
tine's church, Liverpool, on Feb. 1.  
Mrs. Hazen Zwicker is the daughter of  
Mr. Charnley, J. P. and alderman for  
the city of Blackpool. She has been em-  
ployed as private secretary to the senior  
partner of Benj. Sykes & Sons, Ltd.,  
Browlow Hill Mills, Liverpool. She will  
soon come to Canada to join her hus-  
band.

Private Zwicker went overseas with  
a Dalhousie hospital unit. Many friends  
of the family in St. John and Fairville  
will be pleased to learn of the happy  
event.
