YOUNG PRODIGY IN GREEK
Washington, Nov. 25—The faculty of Georgetown University is discussing the feat of Thomas Healy, a junior, who successfully passed a grueling examination in Greek, going through with the "Iliad" of twenty-four books and 15,000 lines as though it were his native tongue. Healy who is merely a boy, and who has been "grinding" in Greek only two years, astonished the examining board with his exhibition of memory and the understanding of the dead language. The lad is a native of Washington.

Beautiful designs from New York experts are here, in evening gowns, afternoon or utility dresses, and you do not have to pay nearly as much as having one made to order.

The common council met this afternoon. Only two reports were presented—

The commissioner of harbors, ferries and public lands reported the fee simple in Lot No. 733 was sold to H. J. Gasron for \$800.

The commissioner recommended that the Norton Griffiths Dredging Company, (Ltd) be leased mooring privileges only at the Anchor Line wharf, Rock's Point for not less than five months at \$1,900 per annum.

He is authorized to replace the boiler house for the potato shed in St. John West, under agreement with the federal government to pay the cost, not exceeding \$200; that the offer of the J. F. Gleason Company to purchase the fee simple in lands under lease to them from the city be accepted, namely: for lots 1029 and 1061, \$75 each (Hayes lease); \$1,500.00; part lot 1028, (Toole lease), \$750.00; part lot 1028, (Hinds lease), \$500.00; lot 723, (Gleason lease), \$500.00; total \$3,250.00; and that the C. P. R. be granted permission to cut off a corner, to the extent of about eight or nine inches of the roof cornice of the brick oil store house near Union street, West, which projects nearer to the rail than is permitted by an order of the railway commissioners, the railway company to replace the cornice, leaving the roof as good as it now is.

The commissioner of public works recommends that the Cornwall and York Cotton Mills be authorized to install a stop cock valve in Autumn street, in connection with their sprinkler system for fire protection.
