**Fined \$25 Each**  
New York, July 18—President Lynch of the National League today fined a fielder, catcher and second baseman of the St. Louis team \$25 each for a fist fight at the Polo grounds yesterday. Mr. Lynch announced that the offense warranted suspension, but in view of the crippled condition of the St. Louis club at this time he would not impose the additional penalty.

**Matty**  
Christopher Mathewson, alias "Christy" "Matty," and "Big Six," celebrated this week the thirtieth anniversary of his debut as a Giant. Thirteen years is a pretty long service for a big league pitcher, but Matty looks as good as ever, for what he has lost in strength and stamina he has gained in wisdom. The future ward of the box made his initial big league appearance on July 17, 1880, at Washington Park, Brooklyn. Cincinnati had owned him but, without letting him pitch a game traded him to New York for Amos Rusbie. It would be gratifying to be able to state that the 19-year-old twirler pitched a perfect game, or even to record how, in a whirl.

Boxing Bill Signed  
Madison, Wis., July 18—Governor Mc-Govern has signed the Heilding boxing bill making ten round no decision contests legal in Wisconsin. Under the provisions of the new law there will be a boxing commission of three men appointed by the governor and a secretary selected by the commission. The bill was passed by the house and senate after hard fighting and close votes.

Charge Against Howard  
Winnipeg, July 18—Army Howard, a crack sprinter of Western Canada and

the dominion's representative to the last Olympia games, must face a charge of having received \$25 for running at the Scottish sports and if he is unable to clear himself he will be driven from the ranks of amateurism. An affidavit has been laid with the Manitoba branch of the Amateur Athletic Union of Canada, and in the words of President Boyd, "it is strictly up to Howard to show that the charge is false." Howard says he can prove that he never received money to run.

**Evidence in Travis Case**  
Hearing in the case of John Travis, charged with breaking and entering, was continued in the police court yesterday afternoon. Evidence was further adjourned until Tuesday afternoon. G. J. Barrett, of Barrett & Smith, told of finding his store ransacked. Several purses, similar to those found on the prisoner, were missing. His evidence was corroborated by Ernest Marshall, an employe in the store. Sergeant Caples, Policemen Shortliffe and O'Leary told of finding R. P. & W. F. Sharpe's office broken into and of the arrest of Travis. When the latter was searched his pockets contained purses similar to those missing from Barrett & Smith's, and also some blouses similar to those found in the store after the break.

Even a brave man will lose his nerve when a dentist starts working on him. There are a lot of long shots in life, but you can always clinch a bet that the house isn't going to be papered in the wallpaper father selects. There are times when good advice is wasted. When a girl is wearing tight shoes and has blisters on her heels, there is no danger of her leaving the straight and narrow path.

RAIN ENDED GREEK'S GAME WITH BANGOR

Bangor was leading 2 to 0 when the game was called yesterday afternoon in the third inning on the local grounds. The visitors had their batting legs on and had knocked out five singles off Shanley. The Greeks in their two innings had touched Phinney for two. Ryan, engaged as catcher for the day, was off in his throwing, and Bangor ran bases too freely for good baseball. Box score:—

**There still remains in the Canadian Naval service, or what is left of it since the present government gained power, about 180 Canadian recruits who seem disinclined to leave. Some of them believe that the naval service will be restored again to its former activity. There are also about 110 British pensioners on the list and these are being discharged and sent back to England.**
