CHURCH WORK IN CANADA.

Duke of Devonshire Presides at London Meeting.

London, March 16.—(By mail.)—The Duke of Devonshire presided on Wednesday in London at a meeting of the Association in England for the Diocese of Algoma, Canada. He spoke of the need that spiritual provision should not only keep pace with, but should be ahead of, industrial development. He described the rich promise of mineral and agricultural wealth in Algoma, and paid high tribute to the work done by the Church in Canada. The Bishop of Qu'Appelle also spoke of the esteem and admiration felt throughout Canada for the work in Algoma, and dwelt on the value of help sent there in building up citizens of the Empire and welding it together.
