

Report of the Choir.

In presenting our Report for the year 1893, we are pleased to say considerable progress has been made in our department, each member taking a lively interest in our work and endeavoring to make this part of the Church worship as efficient as possible.

We sincerely thank the congregation for the liberal sum granted us for the past year, and trust that a like amount will be voted this year for the same purpose.

We remain, respectfully yours,

W. B. GILLESPIE,

Secretary.
