Forty Second Annual Report of the Charlotte County Agricultural Society.

In effecting for the consideration of the members of the Charlotte County Agricultural Society, the Annual Report of the Legislature.

Your Committee took into consideration at the approaching of his successor, the present Representative of his successor, the present Representative of his successor, the present Representative of this County in the Provincial Board.

In effecting for the consideration of the members of the Charlotte County Agricultural Society, the Annual Report of the Legislature.

Your Committee took into consideration at the approaching of his successor, the present Representative of his successor, the present Representative of this County in the Provincial Board.

In effecting for the consideration of the members of the Charlotte County Agricultural Society, the Annual Report of the Legislature.

Your Committee took into consideration at the approaching of his successor, the present Representative of his successor, the present Representative on Crown Lands. Mr Meno evaluate at the most desperte by a large and extrained and expectation of the members the necessity of radiis deal of this County in the Provincial Board.

In effecting the Post Society Secund of the So

The past scasen has been one, your Com-mitte are fully satisfied, exceeding in its convenienc a which have been felt during the manyal features of favorable adaptation for last two years, be thereby obviated, and the peneral features of favorable adaptation for the successful prosecution of tarming operation, the average of seasons experienced in this country; and as the attention of the Agriculturist, was necessarily turned more extensively to the cultivation of the soil from various causes than in former years, very large returns were received therefrom, and the question was frequently asked among issuers; will your barns hild all your crops this season, and when the reply was in the different tention, or your Committee.

Your Society's Ploughing Match took place on the 9th day of October last according to notice given upon the Farms of Mr. Robert C. Mowat and Mr. James M. Farlan, jurior. The two days previous to the match itself, was frequently given with heritation, and somewhat doubtingly. and somewhat doubtingly.
