COMING INTO COURT

Whose Mission is to Seize His

(From Monday's Daily.)

It must not be thought that because the Far East is now in the throes of a Titanic conflict, it has a monopoly of strategical manoeuvres, nor that Port Arthur is the only locality which has an importunate enemy at its doors. There are sieges and sieges, and during the past week a very determined one been in progress in serene Victoria. The curred with the thunderbolt suddenness of most climaxes on Saturday afternoon when Mr. Cook was gathered into custody at the instance of Sheriff Richards. usual one and possesses many humorous features and side-lights.

Last Wednesday in the Small Debts court. Geo. Morphy, on behalf of Messrs, against Mr. Cook for a sum in the neighborhood of forty-seven dollars. Armed with a warrant of execution Sheriff Richards hastened to the premses to seize the stock. But the owner had become apprised of this move and rode on a bicycle in great haste to his place, arriving there a very short time in advance of the sheriff. Leaping from his two-wheeled steed he hurried inside and it is alleged secured the doors. Just then the sheriff appeared on the scene, and seeing the wheel outside proceeded to seize it.

Its owner, however, realizing its peril emerged from the building and grasped one end of it. A struggle ensued, which resulted in favor of the officer of the law and the bicycle was duly placed under is not sufficient, and that the costs of the the ban. But when the sheriff attempted seizure, involving the wages of the to enter the building to seize the goods watchmen, are part of the judgment. Mr. there, he found all the doors locked.
