Enclosure.

Sir:-

No 107

In reply to your letter of the 31st ultimo respecting certain repairs made by the Plumbers, I beg to say that these should not have been done without first obtaining authority, and therefore I regret being unable to authorize you to forward the accounts.

I may say that the expenditure in connection with buildings at your school this fiscal year already far exceeds the amount appropriated for the purpose.

The accounts are herewith returned as requested.

I am, Sir,

Yours obediently,

*A. M. G.*  
Commissioner.

The Principal,

Industrial School,

Dunbow.
