Very Valuable. A portion of the Montreal ice palace was blown down last Thursday.

Very Valuable. "Having used B. B. B. for biliousness and torpid liver, with the very best results, I would recommend it to all who are troubled. The medicine is worth its weight in gold. Tullio White, Montevideo, Uruguay."

A Fatal Attack. A fatal attack of croup in a frequent cougher among children. Every household should be guarded by keeping Hayward's Cherry Pectoral at hand.

A Fatal Attack. A fatal attack of croup in a frequent cougher among children. Every household should be guarded by keeping Hayward's Cherry Pectoral at hand.

People are apt to get greatly excited in cases of sudden accident and injury. It is well to be prepared for such emergencies. Hayward's Yellow Oil is the best and most reliable remedy known for burns, scalds, bruises, lameness, pain and all wounds of the flesh. It is used liberally and extensively.

The Orangetown of the Ottawa district at a meeting in Ottawa last Thursday night adopted a petition for presentation to the Governor-General in Council, asking that the Jesuits' Estates Bill be disallowed but no attention has been paid to their request.

Loss and Gain. "I was taken sick a year ago with bilious fever. My doctor pronounced me cured, but I got sick again, with terrible pains in my back and sides and I got so bad I could not move. I bought some of your medicine and after using several bottles I am not only as sound as a sovereign, but weigh more than I did before. To His Honor I owe my life." Dublin, June 6, 181. B. FITZPATRICK.

How to cure Scurvy. Scurvy is a disease that is not much without exercise; work too hard without rest; doctor all the time; take all the vile nostrums advertised and then you will want to know how to get well, which is answered in three words - Take Hayward's!
