Lighting Plant for Twenty Five

Thousand Dollars.

The comount council made another staveness in municipal ownership between the woods by a dozen schoolmate at Pushing, L. I., yesterday morning and throw into an abandoned well. The boy remained there without food all do order when Ald. Maxwell move that the report of the committee recommending the purchase of the plant.

The meeting had hardly been called to order when Ald. Maxwell move that the report of the committee recommending the purchase of the plant.

Ald. Christie thought that the price approval of the purchase of the plant.

Ald. Christie thought that the price approval of the purchase of the plant.

Ald. Christie thought that the price approval of the owners asked, was stoo high, and believed that \$15,000, which the owners asked, was stoo high, and believed that \$15,000, which the owners asked of "initiatory coremonies"—and this was a pretty profitable business now, and if the city proposed to buy the voice of the plant would not oppose it, but if the city proposed to buy the weeks, going the plant and carry it on as it is he would not oppose it, but if the city is plant and carry it on as it is he would not oppose it, but if the city is well was long on the stump toppose the head of the plant and carry it on as it is he would not oppose it, but if the city is well was long on the stump toppose to the plant and carry it on as it is he would not oppose it, but if the city is well as would not oppose it, but if the city is well the leaf of the plant would not oppose it, but if the city is well as would not oppose it, but if the city is well as would not oppose it, but if the city is well as would not oppose it, but if the city is well as would not oppose it, but if the city is well as would not oppose it, but if the city is well more and the policy and the plant and carry it on as it is he would not oppose it, but if the city is well as would not oppose it, but if the city is well as would not oppose it, but if the city is an advanced of the plant is a

Ald. Maxwell replied that no one had hald that there would have to be an expenditure of \$25,000 except those who opposed the purchase of the plant.

Ald. Carleton said that if the city intended to buy that plant they would have to build a new power house on a new foundation. One boiler has been running 21 years, the other 18 years. It would take \$25,000 to repair it. If the city would pay \$15,000 for the plant he would vote for it.

Ald. Tilley said that the foundation when built was one of the best foundations in the city.
