CLEAR AS MUD.

A Buffalo newspaper tells of an amusing footnote that has been discovered in a French translation of one of President Roosevelt's books. Mr. Roosevelt had quoted the remark of Senator Joseph that "in politics the Golden Rule and the Ten Commandments are an irrelevant dream." Apparently the translator of these is unknown in Paris, for the translator appended the following footnote:

"The Golden Rule: One of the aphorisms ascribed to Pythagoras."

On HYGIENIC BREAD

BECAUSE of the purity of its ingredients.

BECAUSE of the thoroughness with which the electric machinery mixes and kneads the dough.

BECAUSE of the scientific exactness with which it is baked.

AND BECAUSE they LIKE it. For children thrive best on food they like. HYGIENIC BREAD is alluring to the palate of both young and old. Its delicate sweetness is a distinctive quality unrivalled in other breads.

HYGIENIC BREAD is costly bread to make. Yet it costs you no more than common bread. All grocers sell it.
