Woonsocket, R. I., Oct. 13.—The racing at today's meeting on the Woonsocket track was full of interest. In the races, the 2.20 pace, set for tomorrow for decision, was the feature. The favorite, captured the 2.18 trot in four heats and Belle Wilkes raced away with the 2.22 pace in straight heats. The summary: 2.18 TROT. Purse \$300. Pittsburg, Pa., Oct. 13.—Pittsburg took the lead in the great battle now being waged for the world's baseball championship by defeating Detroit, 3 to 2, in the fifth game of the series at Forbes Field today. This gives the National League champions three victories to two for the winners of the American League pennant. The scene will shift to Detroit again tomorrow where the sixth and possibly the last game of the series will be played. By winning tomorrow Pittsburg will clinch the world's championship, but if Detroit win the series will be tied again and a seventh game will be necessary. Despite its announcement that it would meet in Detroit tomorrow to decide whether the seventh game is to be played, the commission met today and decided that the crucial game, if one is needed, shall be played in Detroit; it was also decided to postpone the seventh game until Saturday to give the Detroit club time in which to sell tickets. Gary Herrmann flipped a coin with President B. Johnson, of the American League, and chose Detroit.

single to left and went to third on Leach's hit to the same place. Clarke's home run accounted for three scores. Wagner was hit in the back but as soon as he reached first base he forgot all about his pains and stole second and then third, scoring on Schmidt's high throw. That gave Pittsburg four runs and enough to make victory certain. Detroit scored in the eighth on Crawford's home run. Wilson opened Pittsburg's eighth with a double between D. Jones and Crawford, which the former lost in the sun. Wilson scored on Gibson's single to right. Gibson stole second but was caught trying to steal third, Schmidt to Morlarty. The score: A.B.R.R.H. likely he will remain here and attach himself to one of the local clubs. As this is his first season and he is practically an intermediate his record would go to show that he is "some class" as a runner and no doubt would prove a valuable find for a progressive organization. His greatest victory was won at Boiesston on July 20, when over a hilly course on a rough road he trimmed Pat White and other fast ones in a five mile race in 28.40. A Campbellton on Labor Day he achieved the distinction of winning first in the 100 yard dash as well as the five mile road race.

ROTHESAY 5 FREDERICTON HIGH SCHOOL 0

Fredericton, N. B., Oct. 13.—The "13" hoodoo didn't interfere today with the Rothestay Collegiate school football team administering a defeat to the Fredericton High school fifteen at their home grounds in the first inter-scholastic football game of the season played at College Field. The Rothestay team's victory was due largely to their superior organization and better knowledge of the game while in following up the ball when in play they showed to advantage and altogether a clever lot of "future greats."

Great Attendance. The game today was played with the thermometer hovering between 35 and 40 degrees above zero. A chill which ruled the southeast swept across the field, but the immense grandstand protected the great majority of the spectators. Despite the untoward conditions, 21,706 persons saw the game and the receipts were \$32,173. Of this sum the National Commission receives \$3,217 and each club share in the receipts for the first four games in five games, \$18,108. Each club owner has now received \$36,786 and the National Commission, \$15,610.

After getting three balls and two strikes, Davy Jones hit the ball into the centre field stand for a home run. Bush walked but Cobb fled to Leach. Crawford's single to left sent Bush to third as Wagner's neatly placed hit to Crawford stole second but Delehanty struck out and Morlarty popped to Abstein.

Both teams left for New York to-night to play the fifth game tomorrow on the Polo grounds. The score: Boston 1; New York, 0. Boston, Mass., Oct. 12.—The Boston Americans shut out the New York Nationals in the fourth game of the post-season here today. Collins, one of the youngest of the local twirlers, out-pitched the veteran Mathewson, holding the visitors to four scattered hits. Speaker was again the star of the game, his hit in the first inning resulting in the first run after two were out. Stahl followed with a three bagger. In the eighth he went to Collins in for the second score with another drive over second, and in the ninth he saved two hits by capturing two long flies after hard runs. Doyle, Bridwell and McConnell carried off the fielding honors.

KETCHEL ON THIS LINE LOOMS STRONG

Princeton, N. J., Oct. 13.—Local bowlers are organizing a team to go to St. John, under the management of Dick Sullivan, of the Queen Hotel and take part in the tournament in Black's Alley on November 3rd and 4th. Not many weeks now until the Hocketts will again be in the line. It is altogether likely that St. John will be represented by an All-St. John aggregation.

Princeton DEFEATS POLY. Princeton, N. J., Oct. 13.—Local bowlers are organizing a team to go to St. John, under the management of Dick Sullivan, of the Queen Hotel and take part in the tournament in Black's Alley on November 3rd and 4th.

generally conceded that the former was the fastest boxer in the ring—fully as fast as James J. Corbett—and in a class by himself as a ring general, yet Ketchel had speed enough when he cut loose to follow O'Brien closely enough to land knockout blows. Ketchel rushed incessantly, taking all the blows that O'Brien could deliver, and by means of a whirlwind attack so bewildered the crafty Quaker that his clever defensive tactics had the resistance of tissue paper. Ketchel was the first pugilist to put O'Brien away. The latter up to that time had taken part in more than 100 fights including among his opponents, Fitzsimmons, Kaufman, Choyanski, Walcott, Maher, Burns, Jack Sullivan, Kid McCoy, Tommy Ryan, Hart, McKeever and others, but he had never been on the verge of a knockout. Yet Ketchel, lacking first-class ring knowledge, managed to get to him in an overwhelming fashion.
