# A PURE PARTY.

One of the reproaches which Liberals are called upon to bear is the charge of corruption made against their leaders. Opponents of the government persistently assert with an apparently increasing bitterness that they are unworthy of confidence. Such statements are founded upon practically everything the governcondemnation of the opposition is entirely

a thing which Liberals find intolerable. They know perfectly well-as indeed everybody does-that these complaints are not sincere; that they are made in pur-

of having to constantly condone or apologize for the misdeeds of their leaders. they can honestly point to a record which is in every respect creditable. It will scarcely be denied that any government under our representative system is exposed to the temptation of using public have the boldness to admit that much money for the securing of a party advant- and then hass on to argue that inasmuc age; but Liberals who have carefully as the lowered rate has produced a larger watched events at Ottawa must feel that revenue therefore the government has in the men who have been entrusted with

reasonable criticism in that regard.

elections are those about which the Tory press speaks with the greatest positive pected. Unhappily, a good deal of petty corruption has prevailed in some of the THIS PAPER HAS THE LARGEST sides, and although rigorous measures may CIRCULATION IN THE MARITIME be adopted by those who are actually reponsible for each campaign, it seems prac tically impossible to prevent individuals from attempting to secure an imprope

advantage. No one believes that Liberals carry on corrupt campaigns, while Conservatives sacrifice themselves to purity. One side as the effect it produces, are greatly exaggerated; but it will always be true. terested individuals, that the efforts to corrupt voters will proceed from person who wish to see the government returne

Tory regime; it is probably so now.

What we do take exception to is the implication thrown out by Conservative ournals that to the extent that briber revails at all it is countenanced and en ouraged by the government and the Liberal party. We apprehend that the good sense of the people at large will concur in our view. To read some Tory that the government at Ottawa had a paid band of ballet box stuffers and flim am men upon whom they depended for has made itself conspicuous for genera purity, but is absurd. Nothing of the

### A PECULIAR INCIDENT.

ernments. This is not the first anonymous contribution of Police Magistrate Ritchie to the Freeman. But Saturday's offence own behalf, which might readily deceive the readers of that paper who would never expect to find the city's police magistrate appearing as an anonymous special newspaper pleader. We mistake the better teeling of all classes in this community, whether Catholic or Protestant, Conservative or Liberal, if any sympathy can be found for this species of Indian warfare. No greater injury could be done the claim for equal civic and political rights than has been inflicted upon that cause by the treachery and black hearted ingratitude evidenced in the article to which reference

paseness displayed, we have yet to learn that a public servant enjoying one of the most lucrative positions in the gift of the Local government, has the right to devote the time, which might with advantage be querading as an anonymous penny-a-liner. Police Magistrate Ritchie's court to use up his surplus energy. For example, the case of young Manson is still awaiting preliminary examination. Although the young man was arrested two months ago and remanded for a few days, he still languishes in jail without trial. We hear lots of talk of the rights of British freemen, but here is a case where a British freeman has been kept in jail for about two months without trial. One would almost think the Magna Charta had never been incorporated in the system of British jurisprudence as it is dispensed in the St. John police court. But probably Police Magistrate Ritchie had other and more pressing duties to pleasant duty of writing for the Freeman a column and a half of badly worded abuse of the powers which placed him in

The Freeman article of last Saturday has, however, conferred one benefit upon St. John and that is in assisting The Telegraph to expose to the public the active ity, sought to stir up the religious pas sions of our citizens by inciting creed against creed. That this agent should be a person holding a judicial position almost staggers belief, but The Telegraph witheld the exposure until its evidence could be correborated beyond successful contradic tion. We trust our expose may at least prevent a repetition of the offence.

Supreme Court Chambers. Before His Honor Judge McLeod Tuesday morning, in re Ira Cornwall estate, an order was made approving the security and settling the case on appeal to the supreme court of Canada. W. A. Ewing appeared for Mary D. A. Cornwall, and J. R. Armstrong, K. C., for the Halifax Banking Company, a creditor.

Banking Company, a creditor.

In the case of Jack vs. Bonnell, judgment was given on the 14th of June last, and the last day on which notice of appeal and the last day on which notice of appear could be served, by statute, was July 4th. Mr. Wallace, who appeared for the defendant, claims that he never received the notice, which, acording to the plain-tiff, was placed under his office door dur-ing his absence from the city. The quesing his absence from the city. The question which came before his honor was, whether further time for serving notice of an appeal could be granted. Mr. W. A. Ewing, appearing for the plaintiff, applied for further time and gave notice of appeal to the supreme court of Canada, and to perfect the case on appeal. Mr. Wm. B. Wallace, K. C., opposed the application. The judge reserved his decision until this morning.

Tuesday afternoon the case of Copp

Tuesday afternoon the case of Copp vs. Bannister came before his honor. The defendant was under arrest in Albert county and wished to make a disclosure ne was acting as attorney for Mr. Copp important one. The judge said that he did not think he had the power to issue a writ of prohibition to a county court

out costs.

Mr. Wm. B. Wallace, K. C., appeared for the plaintiff, and Mr. M. G. 1eed, K. C., for the defendant. In the case of Jack vs. Bonnell, Judge McLeod granted the application of W. A. Ewing for the plaintiff for further time in which to serve notice of appeal to the Supreme Court of Canada, on the defendant. This was the case where the notice torney for the defendant, but was nev

which would carry passengers from tiff was a foreign corporation, not having any regular place of business in the pr granted an order that security should be given by the plaintiff for the defendant's costs. # THINKS A CORRESPONDENT

Writer in Boston Transcript Relates an Incident of the Slow Coach Ways of the Garrison City.

A special correspondent of the Boston Transcript who has been "writing up" Halifax, thinks the garrison city a pretty sleepy old place. In the course of an extensive description the writer has this

"Well," I said, with fraternal informal ity to a Halifax editor, "what's the cur-

rent excitement in these parts?" He thought a very long time and I realized that current excitement is not a thing of every-day occurrence in Halifax. Finally he said:

"Well, we're going to have the Duke of York here in October." I fully believe if I had asked him with

the last exciting event occurred he would have named the visit of Lord Aberdeen in 1897; and if I had asked for the one before that, he would have said the time when the late Queen's father, the Duke closely related to the social life of the old country, so dominated by the garrison life, that these visits of royalty are about the only events that really stir the staid old city out of its accustor

THE DEAF MADE TO HEAR.

St. Thomas, June 1—A modern miracle was pointed to take accounts between the parties. He entered into his duties and then demanded that his fees should be paid to him from day to day. Neither side was agreeable to this proposition, and his henor was asked Tuesday to decide whether the fees should be paid from day to day, who should pay them, or whether their payment should take place when the inquiry was finished. His honor ruled that, treating the question as an abstract one, and the reference was disposed of and the whole work completed. Mr. M. G. Teed, K. C., appeared for the plaintiff, Mr. W. B. Chandler, K. C., for the city, and Mr. E. R. Chapman for the referee, Mr. Sweeny.

County Court Chambers.

Northup vs. Perkins came before His Honor Judge Forbes Tuesday morning. This is a review case, in which W. H. ty, there is a very pretty rumpus which well illustrates the difficulty Canada has in trying to ride, circus fashion, that sadrent of communications, signed by such worthy and prominent Haligonians as "Citizen," "Taxpayer," and "Subscriber," in which there was much reference to "gold lace and cocked hat arrogance," "military bantams" and the like. At the present writing, the last blow, and a very who can quote Bible texts on both sides of any argument. His two-column communication may be summed up in the very pentinent inquiry: "What would Jesus do?" and the churches who are clamoring for their rights are put in a self-amoring for their rights are put in a rather pool light by such texts as these: "He who would be chief among you, let him be your servant," "My kingdom is not of this world."

# Subsidies for Sugar Factories.

Kingston, Ja., Aug. 15-The government as decided with the sanction of the imperial authorities, to further the establishment of several large, central sugar factories, by guaranteeing the interest on the investment for a certain number of years. An expert to advise the Jamaican
