A shrewd wife, who has got a forgetting husband, has adopted a method of ting husband, has adopted a method of jogging his memory, which is at once novel and effectual. When she destres him to bring her anything from the store she makes a cross on the back of his. hand with a lead pencil. When he takes a drink at the saloon, in extending his hand for the glass he invariably sees that mark and remembers his errand. Being thus remnded 30 or 40 times a day, it would b singular, indeed, if he forgot what was required of him.
